How to engage missions month:

- **Be Present.** Prioritize being here in person each weekend in November. We will still offer our livestream, but because of the sensitive content being shared, we will have to disconnect the stream often. Be here so you don't miss a thing!
- **Read.** Take time to read through this book to get acquainted with our upcoming guests, missions partners and upcoming mission projects. These projects are our mission priority in 2026.
- **Pray** over the projects and our mission partners. These missionaries have dedicated their lives to the furtherance of the Gospel across the world. They face daily opposition and challenges. Prayer changes things! Get involved by learning their names and praying for them and the projects represented here.
- **Give.** Ask God what He would have you to give in the upcoming special offering, Nov 15-30. Let us be obedient to how He directs us in this area!
- **Go.** We are offering two short term mission trips next summer. Is God leading you to go with us? Let us know by scanning the included QR codes throughout this book.
- **Be open** to surrendering anything that God would ask of you. Maybe it is your time, your finances, or maybe, God is calling you to more! Let's be open and obedient as He leads.

FROM PASTOR ROY

We have had an incredible year on mission as a church! One of the priorities in our teaching here at Grace is to help our people understand that missions is not a program or a ministry of our church, **it is the heart of our church**. Missions is the main thing! The Great Commission that is given to us 5 times by the Lord Jesus Himself is not a suggestion, but a command. A command to go into all the world and preach the Gospel, to baptize those who believe and to teach them everything Jesus has commanded and to train the believers to do for others what has been done for them. We are to be about this business until all have heard. Sadly, for so many churches and in the lives of so many Christians, they live by the great omission. In so many lives, witnessing, being on personal mission, praying for and giving to world missions is simply omitted from their lives. At Grace, we do all we can to keep the mission in front of us throughout the year. We also take an entire month, each November, to recenter, to repurpose, reprioritize and reorient ourselves and our ministry to the **one thing** Jesus left His church to complete, The Great Commission.

I am proud to present to you, our church, this book that is record of much of what has been accomplished through your faithful giving, praying and going this year in missions. You will also see and hear from many of our missions partners and the projects they have presented to us for us to consider underwriting for them. I think you will be encouraged and challenged as you read through this booklet and as you faithfully hear from many of our missions partners in person this month. This booklet is meant to cast a great vision of what *can be* for our people. It is designed and intended for you to bring with you to the weekend services, to pray over personally and with your Life Group.

This book is interactive, look for the links and QR codes in which you can watch embedded videos and find out more information about many of our partners and their projects.

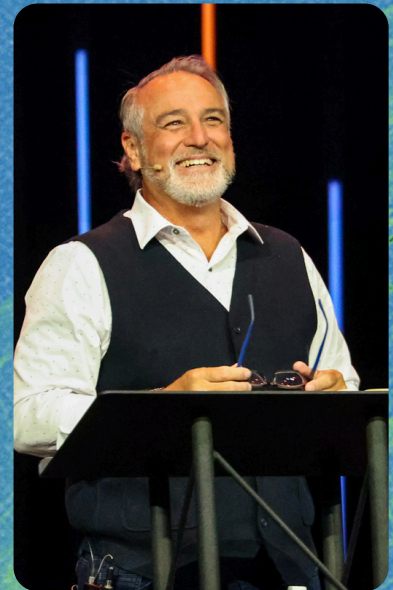

Begin to prayerfully ask what God would lead you to give in our special offering weekends in November.

At Grace, 10% of all funds given to our general fund are given to our missions partners. This special offering on November 15-30 helps us underwrite the projects that are presented in this booklet, as well as, meeting many of the missions needs that will continue to come into our church in 2026.

Until All Have Heard,

Roy Mack

SENIOR PASTOR
GRACE FELLOWSHIP CHURCH

IN THE LAST 12 MONTHS, GRACE HAS GIVEN \$650,000+ TO LOCAL AND GLOBAL MISSIONS.

SOME HIGHLIGHTS FROM THE LAST 12 MONTHS:

***For more on what missions projects we supported in the last 12 months, check out last year's missions book. Digital copies can be found on our site or app.**

Pastor Roy and April have traveled all over this year to further the gospel! They have been in Nepal, Mexico, Kenya and more. This year we will hear more about how we can continue to be involved with these ministry connections! Check out pages 16 & 25.

In June, we sent Pastor Jamey to Cuba to work with a network of churches! See more about how we are continuing this partnership on page 14.

In June, we sent a large team to Kenya to serve at World Hope! Check out more about how we are continuing this partnership on page 25. This team helped with medical clinics and children's ministry. 108 people made a decision to follow Jesus as a result of this time!

In August, we sent this team to serve in Brazil with Vinde Meninos! Read more about how we are continuing this partnership on page 13.

This upcoming Christmas season, we will be gifting this 52-week devotional to nearly 300 local police and some of our local teachers.

We have had wonderful opportunities this year to bless our local community! Check out page 9 to read more about our efforts to seek the good of this city.

This year we have published a report each quarter where you can read up to date mission reports from our partners all over the world. If you missed out, you can access these reports at any time on the Grace app or site.

NOVEMBER SCHEDULE

NOVEMBER 1-2: ZACK POTTER

Zack, Ashle, and their 5 kids are no strangers to Grace. Zack served as an Associate pastor at Grace for 9 years before God called him and his family to plant Lakeside Church in Winter Haven, Fl. In January 2022 Grace sent the Potter family out to plant Lakeside Church, and God is blessing this young church plant. This January they will celebrate 3 years as a church, and they are excited to see all that God will continue to do through their life and ministry.

Read about Lakeside Church on page 10.

NOVEMBER 6-7: MAN UP

We are praying that many men will come to know Jesus as a result of this event and that even more men will have their faith in Jesus strengthened! Thank you to all of you who invite the men in your life who don't know Jesus, and thank you to our corporate sponsors for helping make this event happen each year!

NOVEMBER 8-9: TODD WRIGHT

Todd Wright is a husband, dad, granddad, pastor, mentor, author and coach. Todd's 40+ years of experience gives him a wealth of resourceful wisdom, and his calling compels him to invest it in others. He is devoted to investing in the next generation of young leaders, men, and pastors. He invests through speaking, coaching, mentoring, and writing. He served 30 years as the Lead Pastor of Midway Church in Villa Rica, Georgia, one of the State's historic churches, founded in 1847. Midway experienced exponential growth under his leadership.

NOVEMBER 15-16: DAVE JANNEY

Dr. David Janney has been a pastor with a heart and vision for world missions since 1980. He has pastored churches to become vibrant mission churches with missionaries sent from his church all over the world. With a heart for missions and sharing the Gospel of Jesus Christ with a lost world, Dr. Dave founded World Hope, an international missions organization in 1991. World Hope has had ministry in multiple countries, including great Jesus Saves Celebrations in the Philippines and a large extensive ministry at the Hope Center in Nairobi, Kenya which is his first love. A devoted family man, Dr. Janney and his wife, Donna, have four grown children and thirteen grandchildren.

Read about our project with World Hope on page 25.

NOVEMBER 22-23: BOBBY HERRELL

Since 1992, Bobby and Susan Herrell have faithfully served in ministry, driven by a deep passion for missions and a commitment to making disciples worldwide. Their international work began in Eastern Europe and has since expanded to Asia and the 10/40 window, reaching some of the most unreached people groups on the planet. They have played a pivotal role in planting churches, launching programs for underserved children, establishing schools in remote villages, and providing homes for hundreds of children through Christian orphanages. In recent years, Bobby's focus has shifted to training pastors and leaders, helping them realign their methods to a disciple-making model inspired by Christ's ministry. As lead pastors of Cornerstone Fort Worth, Bobby and Susan continue to shepherd locally while furthering their global mission of disciple-making.

Read about our project with Global Effects on page 16.

NOVEMBER 30: KIKE TORRES

Kike has served as lead pastor of Horizonte Querétaro since 2011. He has a heart for pastors and church planting; they have 7 churches planted and care for at least 20 pastors in Mexico, south USA, and central and South America. He is the founder of the Calvary Chapel School of Ministry in México (now SEBAM) and the Biblical Counseling Center at Querétaro. Kike has already published several books and is expecting his fourth to be released this year. He is married to Paulina and they have one son, Christian.

Read about our project with Kike on page 13.

HOW DOES GRACE SUPPORT MISSIONS?

OUR CHURCH IS COMMITTED TO REACHING PEOPLE EVERYWHERE WITH THE GOSPEL OF JESUS CHRIST. HERE'S HOW:

- 10% of all general fund giving is always given to missions.
- In November of every year we set our mission budget for the upcoming year. You are holding the 2026 budget in your hands right now! We have heard from our mission partners that these are the most pressing needs that they have. Read through the projects and get familiar with the faces and needs. **On November 15-30**, we will take a special missions offering for the projects listed in the book, however, you can designate a gift to missions at anytime!
- Our church monthly supports **15** different missions organizations.
- When you make a purchase at the Selah Cafe or at the Source, the profits from those sales go to support missions.
- We always leave a reserve of funds available throughout the year for special opportunities that arise. In 2025, we were able to access those funds to provide for emergency needs for our missions partners here and around the world. These reserves are replenished regularly through your generous giving and our corporate tithing.
- In 2026 we are offering mission trips again! We are currently in the planning phases of multiple different trips, and will let you know more information soon. You can let us know you are interested by scanning the included QR code and be the first to hear about trips.

LOCAL PROJECTS

CR AT GRACE: \$12,000

Celebrate Recovery is a vital and thriving ministry here at Grace. CR offers a place of community and accountability to those struggling with all kinds of hurts, habits, and hang ups. We are thankful to see so many people growing in their relationship with God because of this ministry.

SUMMER INTERNS: \$10,000

Next summer we are looking to host interns again! These interns will most likely be college-aged young adults who desire to follow Jesus and be involved in the Church. They will be able to assist our church in some of the day-to-day operations, as well as assist the pastoral staff in some specific ministry objectives. Our relationship with these interns will be mutually beneficial as we will help prepare them for their future wherever God leads them. This allows our church and staff to disciple future leaders.

OUTREACH FOR INTERNATIONAL STUDENTS: \$4,000

We are excited to work with Friends Around the World to share hospitality and, ultimately, the Gospel with the hundreds of international students enrolled at YSU each year. This is an awesome and unique mission opportunity right at our front door! These funds will be used to host meals and provide transportation to events, meals, and church. This past September we were able to send some of our college students on a retreat with many international students! Read more about this in our third quarter report of 2025.

LOCAL PROJECTS: \$12,000

The Mahoning Valley is our local mission field! We want to set aside funds for future local projects that may arise throughout the year. For example our local school projects, projects with the local organizations that we support monthly, etc. Read more on page 9 about how we are seeking the good of this city!

MONTHLY SUPPORTING 4 ORGANIZATIONS

BELLA WOMEN'S CENTER: \$550

BWC in Warren offers the pregnancy services and resources women need, completely free of charge.

FIELDSTONE COUNSELING: \$300

Fieldstone Counseling is a Christian counseling service based out of the Akron area, but virtually serves people all over the nation with counseling from the truth of God's Word.

EAGLES NEST AT THE ESTHER HOUSE: \$500

Located in Youngstown, Eagles Nest "exists that the unborn may survive, the newborn may thrive, and parents be equipped to teach their children how to fly." At Eagle's Nest, young mothers are disciplined to depend on the stable wings of Jesus and the uplifting wind of the Holy Spirit.

SOMEPLACE SAFE: \$330

Someplace Safe is a safe home in Warren for women and children escaping domestic violence.

SEEKING THE GOOD OF THE CITY

STARTING IN STYLE

In September, we had the honor of hosting 13 kids at our first ever Starting in Style event. At this event, we paired each child/teen with a shopping buddy who remained with them the entire day. We were able to provide breakfast and lunch for both the kids and TCCS workers, along with a goodie bag for each child tailored to their interests! We spent the afternoon in a fashion show where they showed off their new clothes, as our volunteers cheered them on! We ended our day playing out in the backyard, showing these children that they are loved, cared for and created on purpose by a loving God. We shared with them that no matter their past or current circumstances, God loves and cherishes them for who they are, created in His image! There was not a dry eye on this day. We were blessed to partner with TCCS to kick off Starting in Style for the future!

In 2026, we plan to do more with TCCS and to make Starting in Style an even bigger outreach opportunity for our community.

KIDZWORLD BACK TO SCHOOL CELEBRATION

On August 16th, we kicked off our first ever KidzWorld Back to School Celebration! Many of the attendees were from our community, having no ties to church, yet were excited to come and participate in the day. A young adult from The Well graciously provided about 20 free haircuts. Also, because of the generosity of our church, we were able to distribute 108 backpacks to those needing them! It was a sweet event connecting with families, allowing volunteers to serve in a different capacity and kicking off our school year in a positive way.

As a result of the wonderful giving our church family, this was a twofold event. We were able to distribute 60 gift boxes to the teachers at Niles Primary School and Crossroads Residential school, as a thank you and prayer for the time they pour into the children they serve! Grace Fellowship Church also stocked the snack pantry at Niles Primary to allow them to accommodate any hunger needs at the start of school.

A NEW LOCAL OPPORTUNITY

We're excited to launch a new outreach opportunity through our **church food trailer**, and we're looking for a passionate, small team of volunteers to help lead the way. This ministry is more than just food—it's about sharing God's love through hospitality and service.

While experience in food service or hospitality is helpful, it's not required. What matters most is a heart to serve and a willingness to grow. The Grace food trailer will be used to:

- Bless local schools by providing meals to teachers and staff.
- Reach neighborhoods in need by offering free, high-quality meals.
- Support church events with food and fellowship during special gatherings on campus.

We're looking for volunteers who are:

- Team players with a servant's heart
- Kind and gracious toward their teammates
- Flexible, patient, and able to adapt to different events and settings
- Capable of working efficiently in a fast-paced environment

If you're ready to make a tangible impact in our community, we invite you to join us on this exciting journey! Scan the QR code to let us know you're interested in being involved.

LAKESIDE CHURCH IN WINTER HAVEN, FLORIDA

Zack and Ashle' Potter will be our guests on November 1-2. Read more about them on page 5.

CONTINUED SUPPORT: \$1,150 A MONTH

CONTINUED SUPPORT OF EMILY CREED: \$550 A MONTH

An update from Zack Potter:

Grace family,

This January will mark 4 years since we launched out of Grace and moved into Winter Haven with faith and vision from God. We are so thankful for your support over the years- prayerfully and financially!

Lakeside will officially turn 3 years old in January, and I'm so thankful for what the Lord is doing. At the start of this year we were averaging about 60 people in attendance, we had 4 small groups (with 10 leaders leading those groups) with about 40 of our people committing themselves to being discipled, and roughly \$11,000 in monthly offerings. Our prayerful desire was to become self-sustained by the end of this year, which would require doubling everything within the year. As of today when I'm typing this (just before October) God has done more than double everything! Praise the Lord! What a year it has been!

As of today we have over 150 people that call Lakeside home, we have 8 small groups (28 leaders) with about 100 people being discipled, and we are averaging over \$23,000 in monthly offerings. We also started a youth ministry in the summer and have a youth pastor that is meeting weekly with students in small groups and having outreach events every other month. We had 40 students in our first youth gathering! We had our 2nd annual VBS, which averaged about 30 children each night, and had plenty of volunteers to help out- last year we needed help from another church to even do VBS, so this was our first official on our own. We have many guests every Sunday and they are choosing to align their lives with Lakeside. We are growing on a weekly basis as a church right now. We have also had several salvations this year and will have baptisms soon to celebrate that! We also have 8 young adults that are called into full time ministry that I will be personally discipling throughout next year!

On top of all of this there are things that are difficult to quantify, but demonstrate how God is working in people's lives. Last year we committed to being a House of prayer for all nations. We wanted to focus as a church on making prayer our priority- personally and collectively. We have intentional time of prayer in every worship service and in our small groups. We have a prayer team and prayer leaders that meet early on Sunday to pray for an hour before worship service begins. I believe God is hearing and answering our prayers. We have seen a church member healed of cancer, a husband who hadn't been to church attending the worship service and going to small group with his wife, relationships in homes reconciled, brokenness healed, and a people that are truly hungry for God to move in our lives and county.

I recognize that none of what God is doing would be possible without you. Your support, love, prayers and financial gifts have allowed us to "put our hands to the plow" and focus on the ministry He has called us to do. Planting a church is difficult work, but work that we are pleased to do for Christ. We have to till the hard soil for a while before we can plant seeds and see them grow. Our first two years involved tilling hard soil and planting seeds primarily. I am starting to see the fruit grow. There are more stories, more life change, more salvations, more healing, and more transformation that will come and your continued partnership will allow us to rejoice in a great harvest together!

You have fruit in Central Florida, Grace. So thankful for all of you.

SMALL CIRCLE: \$500 A MONTH

SmallCircle is an app that is making a huge discipleship impact in more than 100 countries already! You can download the app for free and start a discipleship journey with a friend in your life. In the past we have helped translate these resources into other languages or make trainings happening in various locations. Small Circle is growing, and we get to be a part.

Update from Small Circle creator:

"I announced to our church family a couple of months ago that my wife and I have sensed God's call for us to be full-time missionaries through the work of SmallCircle. To give an idea, we've just trained in Chicago, Boston, and London and in the next two months, we'll train in Portugal, Germany, France, Argentina, and Guatemala. We are now asking the Lord to bring those who are led to partner with consistent monthly support. We are looking for churches to support at \$500 a month."

CLEVELAND, CRU: \$4,000 ONE-TIME GIFT MONTHLY SUPPORT: \$385 A MONTH

Aaron and Katie Golby serve with Cru, reaching students on college campuses in Cleveland and Northeast Ohio. They build and equip Christians to be witnesses for Christ on campus, and to mobilize and send out the next generation to all nations as disciple-makers for the rest of their lives.

Check out this update from the Golbys:

"Last year we reached the limit at the camp we've been using for our annual Cru Northeast Ohio fall retreat. To keep up with the growth of our ministries, we need to move to a bigger camp. But a bigger camp comes with greater costs.

Fall Retreat is a weekend where new Christian students begin to view themselves as ambassadors for Christ on campus. Students who are not Christians hear the gospel throughout the weekend and see it lived out in Christian community. Through last year's fall retreat a student named Emily became a Christian. Now, almost a year later she's an intern on our ministry team, equipped in evangelism and discipleship and reaching even more non-Christian students just like she was.

This funding would enable us to reduce the price to make it affordable for students so we can have the biggest possible impact and reach the most students possible. For us to get several hundred students to a weekend filled with biblical teaching, worship, and godly community, we need \$6,000."

Emily's story: Cru ministry intern, 2025 graduate of John Carroll University

Last fall, Ian, one of our student leaders at John Carroll University (JCU) texted his classmate, Emily. Ian invited Emily to the Cru Bible study. Emily came to the Bible study. A few days later, Ian and Gabe, another student leader, met with Emily and shared the gospel with her. Over the course of a few days, Emily read the book, *The Case for Christ*. A few weeks later she came to our Cru Fall Retreat.

On Saturday night of the retreat, Ian, Gabe, and Aaron were praying for Emily. An hour later, Emily texted Ian and Gabe, "I think I had my religious Aha! moment!"

Emily became a Christian that weekend, and became a core part of Cru at JCU. Now, almost a year later, she is an intern with Cru in Northeast Ohio. She is equipped in discipleship and evangelism, and spends her days reaching out to lost college students just like she was.

The church is growing! Average of 120+ attendees lately.

The new location is one block from the current space. This renovation will allow Morgan Grace Church to have a max capacity of 260 people.

UTAH, MORGAN GRACE CHURCH ONE-TIME GIFT: \$5,000 MONTHLY SUPPORT: \$385 A MONTH

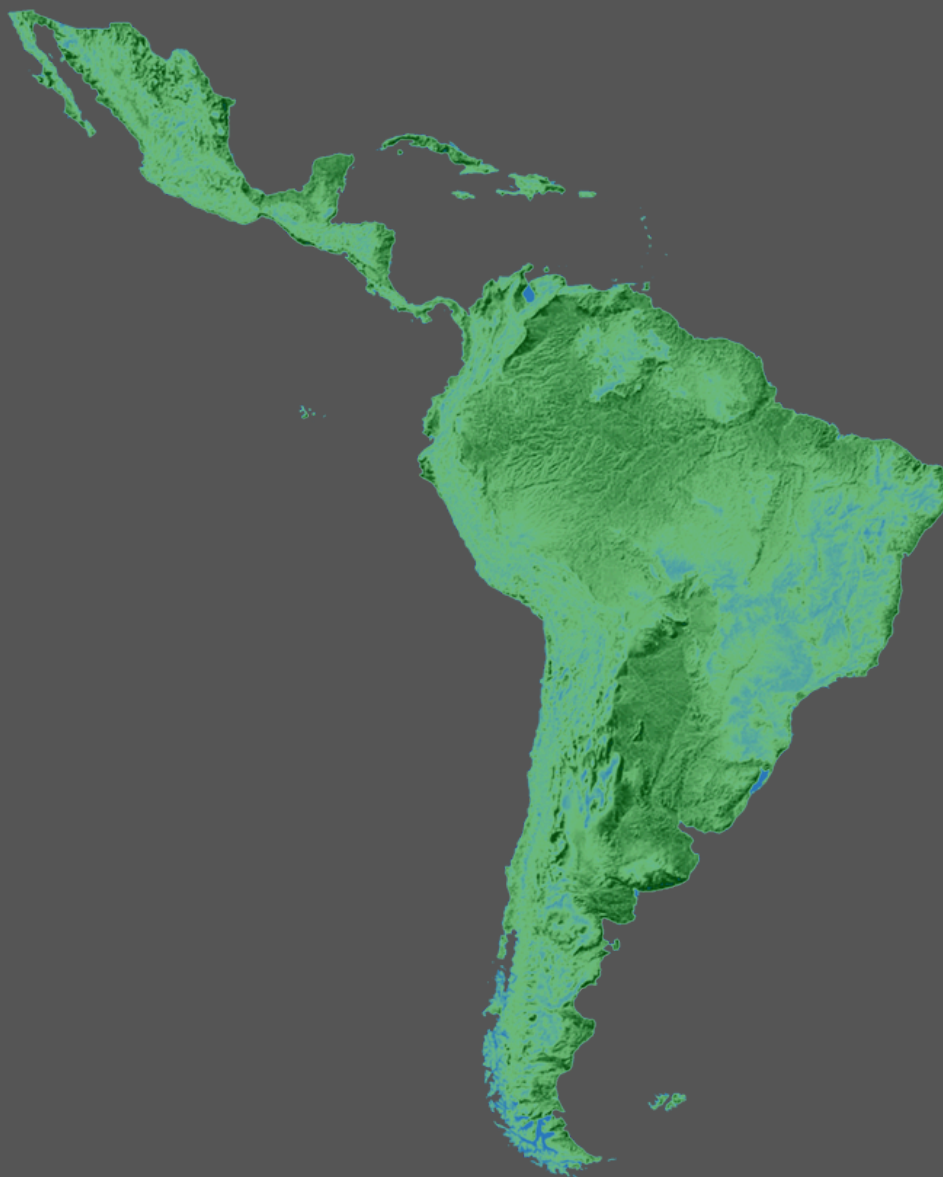

Morgan is nestled in the Wasatch Mountain Range in rural, northern Utah. Morgan County is one of the spiritually darkest places in the modern world. In a 2010 survey, there were zero professing evangelical Christians in the county of roughly 12,000 people. Chase Roberts moved to Utah in 2020, and his brother, Gavin, followed in 2021. Starting with just three families, Morgan Grace Church has now grown to be a body of over 120 believers. This church has seen many families leave the local, dominant religion and come to a saving faith in the Jesus of the Bible.

Check out this update from Chase & Gavin Roberts:

"We currently have a seating capacity of 155 chairs. Over the last few weeks, we have had 120+ attendees. Our space problem will be alleviated with the renovation of our new building. Our new location is planned to seat roughly 210 individuals. Current estimates are \$700,000 for the project. This building is a block from our current location on the main street in Morgan. For the first time in the history of our town, an evangelical church owns property!"

The new space will have space for a nursery, kids space, and a large kitchen for our fellowship meals. In addition to the 210 chairs that will fit in the worship area, our movable wall between worship and fellowship areas will add roughly 50 seats to increase our max capacity to 260 for future growth and larger events."

They will offer biblical counseling, resources, education, post-abortion recovery and education in schools about the value of life. This will be the first pregnancy crisis clinic in this region of Mexico. These funds will help them get closer to opening their doors!

REACH MINISTRIES: \$400 A MONTH

We are continuing to monthly support the work of Reach Ministries. This organization focuses on spreading the gospel through their work in **Yucatan villages**, a children's home in **Jamaica** and spreading the gospel through church networks in **Egypt**.

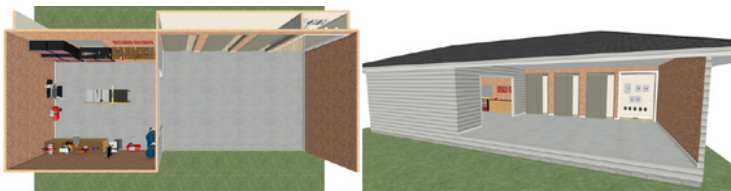

BRAZIL, EXPANSION AT VINDE MENINOS: \$10,000

The teens who join the Vinde Meninos program carry a heavy weight far beyond their years. Many face constant pressure from their families to find work and contribute to the household budget—even while still in the early years of high school. This reality often forces them to make heartbreaking choices: leaving the Vinde program, dropping out of school, and taking any job they can find. Without proper training or guidance, these young people lose the chance to build real skills, discover a vocation, and prepare for a future filled with opportunities.

With your help, these teens don't have to trade education for survival. You can give them the tools, training, and hope they need to step into adulthood prepared—not just for work, but for life. To help these students achieve success, we are excited to announce the creation of the VINDE MENINOS YOUTH SKILL AND MENTORSHIP PROGRAM. Together, we can build the Vinde Meninos Training Center— a safe and inspiring space where teens can learn a trade, receive professional guidance, and prepare for the job market with dignity and hope.

At our property, we already have many of the facilities needed for a trade school. In phase one of our Vinde Meninos Trade Center project we want to add a 1,000 sq. ft. building dedicated to teaching electrical installations, metalwork and woodworking skills.

Want to experience it for yourself? Travel to Brazil with us next summer!

ROMANIA, HOPE 4 ROMANIA, CHRISTMAS FOOD BAGS: \$5,000

Every year **Hope 4 Romania** delivers essential food supplies and gift bags to Roma Gypsy families at Christmas time. This opens many doors for the Gospel. H4R will begin this year in mid-November to get ready to reach 500 families in December and January.

ITALY, CITY HOUSE: \$3,000

Jon and Becky Liles are church-planting missionaries in Italy. They surrendered to Italy knowing that the work is slow and difficult. Their current focus is the Castelli Romani, a group of 17 beautiful towns just outside of Rome where more than 250,000 precious people reside. These towns are close enough to Rome for work, but far enough away that families can raise their children in a typical Italian village setting. Although they have lived and worked in this part of Rome since 2008, the Liles are now specifically focusing on connecting with their community through City House Rome, a community hub and coffee house. This ministry is strategically positioned on a major road in Grottaferrata where the Liles originally started. So far, City House has been used for Bible studies, prayer meetings, youth events, and community meetings. They have added after school programs for kids, English language learning, and community projects that bring these cities together to serve families in need. These funds will help aid their continued ministry.

MONTHLY SUPPORT: \$500 PER MONTH

An update from Tommy and Courtney Zeigler, our missionaries to Portugal.

"Our focus is the Portuguese Baptist Convention, which has 78 churches but only 65 pastors. These congregations are where most native Portuguese believers gather, and many are without consistent shepherding. Our vision is to see future pastors emerge from flourishing local churches where discipleship is a way of life. By cultivating hospitality, mentoring, and daily obedience, we want our local partner church to grow into a hub for training and sending leaders, so that the priesthood of believers is equipped and the churches of Portugal are shepherded well.

We cannot do this alone. We need your prayers and partnership to remain here in this work, and we would be glad to speak with anyone the Lord may be stirring to consider joining us long-term in Portugal. Together, we long to see the church strengthened and the gospel advanced for generations to come."

Tommy and Courtney with their boys, Tychicus and Apollos.

ROMANIA, PARTNERS IN MISSIONS INTL.:
ONE-TIME GIFT: \$3,000
CONTINUED MONTHLY SUPPORT: \$300 PER MONTH

Pastor Elijah and Claudia Morar have been leading mission endeavors in Romania and throughout Europe for more than two decades with Partners in Missions International.

Here is an update from the Morars:

I greet you in the name of our Lord Jesus Christ, and I want to begin by expressing my deep gratitude for your faithful partnership in the ministry here in Romania. Your prayers, encouragement, and generous support over the years have been a testimony of God's love and provision. Because of your faithfulness, we have been able to reach children and families with the gospel, disciple them in the truth of God's Word, and demonstrate Christ's love in practical ways.

One of the most meaningful parts of our ministry is the Christian school that God has entrusted to us. This school has become a place of hope, learning, and transformation for children from many different backgrounds. Today, we have the privilege of teaching and sharing the gospel with Ukrainian, Gypsy, Palestinian, Israeli, Hungarian and Romanian children—all under one roof. It is remarkable to see how God is bringing the nations to our doorstep, and He has given us the opportunity to sow seeds of His Word not only into the lives of these children, but also into the lives of their families.

As the ministry grows, so does the need to create more space and provide a safe, welcoming environment for our students. God has opened the door for us to remodel the school so that we can accommodate more children and provide them with the resources they need. By May of 2026, our goal is to complete the remodeling project, which includes finishing four classrooms, two sets of bathrooms, and the insulation of the roof to accommodate 65 more kids.

To give you a clearer picture:

- Insulation of the roof – \$5,500
- Two sets of bathrooms (girls and boys) – \$3,500 each
- Four classrooms (floors, walls, pews, and chairs) – \$4,500 each

This project is more than just about bricks, mortar, and furniture—it is about creating a space where the gospel can be shared, discipleship can take place, and children can learn and grow in a Christ-centered environment. Each classroom represents more children who will hear about Jesus. Each bathroom completed represents dignity and care for their well-being. The insulated roof represents a safe and warm place where they can study and worship together.

We know that such a vision is beyond what we can accomplish alone. But we also know that God has given us partners like you, who share in the calling to bring His truth to the nations. Your long-standing support has already helped us accomplish so much, and for that, we are truly thankful. We see you not just as supporters, but as co-laborers in Christ.

I want to encourage you to prayerfully consider standing with us once again in this important endeavor. First and foremost, we ask for your prayers—that God would continue to provide the resources, protect the children, and empower us to teach and disciple faithfully. Secondly, as the Lord leads, we invite you to support us financially so that together we can see this vision fulfilled. Every contribution, no matter the size, makes a difference in the lives of these children and their families.

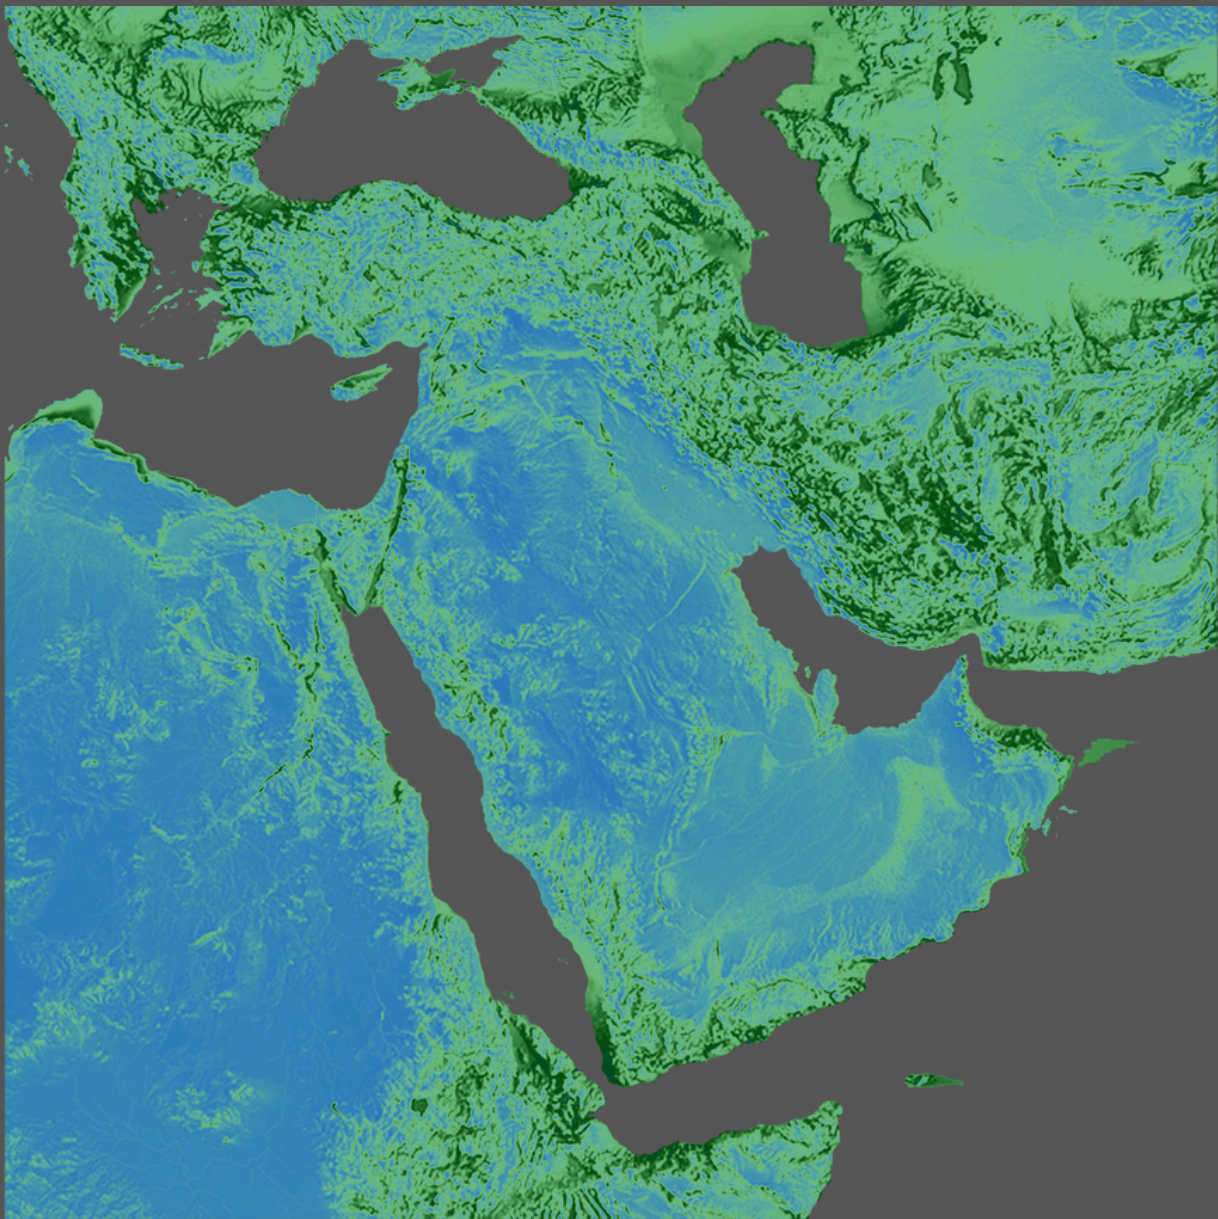

We firmly believe that what we do here echoes into eternity. By providing a place where children of different nations can learn, grow, and encounter the love of Christ, we are investing in future leaders, missionaries, and disciples who can take the gospel further than we could ever imagine.

On behalf of my family, our ministry team, and all the children we serve, I want to thank you once again for your faithful partnership. May the Lord bless you richly for your generosity and continue to use you as a light in your own community and beyond.

In Christ's service,

Elijah Morar –ROA Church in Oradea Romania

KENYA, WORLD HOPE

FLOODING CRISIS: \$10,000

CONTINUED MONTHLY SUPPORT: \$550 PER MONTH

Pastor Roy has served on the board of **World Hope** for over 25 years. The longtime work that WH has done in Nairobi, Kenya has changed generations of families and pushed back the Kawangware slum that the thriving church and school is located at the edge of.

Check out this update from World Hope:

Hope Academy, located in a low-lying area of the Kawangware slum, faces increasingly severe floods. The polluted river that flows right outside the walls of the school facility, routinely overflows during rains pushing contaminated water back onto our property.

The flooding is compounded by the reality that the river flows with the sewage overflow from all of Kawangware slum. Contaminated water spreads into the dining hall and classroom block, directly endangering students' health where they eat and learn. The number one health issue we deal with in our students are the skin and parasite issues from the dirty water they have to deal with in their lives everyday.

Frequency:

- Major floods occur during Nairobi's rainy seasons (March–May, October–December) but can follow any heavy rain.

Each flood halts school operations:

- 2–3 hours for water to recede
- 1–2 hours for sanitation and cleanup
- This results in repeated loss of valuable learning time and added sickness among students.

Flooding has driven away about 15% of our students due to health concerns, safety fears, and disruptions. Unless addressed urgently, retention will continue to decline.

To protect our students and restore confidence, we propose an immediate intervention.

1. Secure and waterproof the barrier wall with a 'Liquid Flexible Rubber Membrane', similar to what is used in pools and basement walls. Along with this we will use gravel, backfill and change the flow of how the water moves past our property. \$10,000

2. The second stage will be a New Drainage System – Build a channel to divert stormwater and block sewage backflow. Along with this we will devise holding tanks to hold water when it floods to capture the ground waters that move down toward the school on our property till we can pump them into the sewer system at a rate that the system can carry without overflowing and backfilling into the school. \$8,000

Our plan is that this intervention will end the flooding into the school, remove health hazards, ensure uninterrupted learning, and stabilize enrollment. Our children will know that World Hope Academy is at least the one place where they will be safe and secure during the rains.

HOPE PARTNERS: \$7,000

Hope Partners International is a Christ-centered international ministry with a simple mission: to rescue children and transform their lives. HPI has 7 (and counting!) Hope Centers around the world that they use to care for the neediest! They are currently fundraising for several large projects at different centers. We will send these funds and ask them to use it for whatever is most urgent.

**1DIED4ALL, INTL SPORTS CAMPS: \$3,000**

Ronnie & Janet McAdoo have been putting on sports camps as 1Died4All where they teach sports, but most importantly share the Gospel. This mission has now expanded internationally and from more than just basketball! They plan to travel to Africa in Amboseli and Nairobi, Germany and Poland in 2026 to continue their camps and share the Gospel. In 2025 they had incredibly successful camps in the US and internationally!

Ronnie McAdoo (goes by Mack) has been facing an awful cancer journey this past year. Pray also for his complete healing as he so desires to continue this work!

**TRAINING EAST AFRICAN PASTORS: \$2,500**

“East Africa is experiencing explosive church growth. This opportunity, however, presents a critical challenge. The growth in the number of believers has dramatically outpaced the development of mature, theologically grounded leaders capable of shepherding them. The consequences are severe: a rise in false teaching, nominalism, and spiritual immaturity that threatens the long-term health of the church. Our response is guided by a vision of empowering local leaders through a model of intentional, multiplying discipleship. Our program equips leaders in biblical foundations, pastoral character, and practical skills, with a core focus on training them to multiply the process in others. One pastor fully equipped and supported for an entire training cycle, ready to multiply disciples and transform their community costs \$450.”

from Charles Macharia with Firm Foundations:

TANZANIA, THE BOONS, RENOVATIONS OF NEW PROPERTY: \$5,000

Grace has been a longtime supporter of the Boon family's ministry in Tanzania! They have several facets of their work: training local pastors, translating christian materials, career training, discipleship, food sustainability, and all of these work together to spread the Gospel.

Check out this update from Aaron & Stephanie Boon:

Thank you so much for reaching out and for your heart for our family and ministry. We are grateful for Grace's ongoing partnership in the gospel, and we're excited to share an important project for 2026.

As you may know, the property we had lived in and used for ministry for many years was taken from us when the landlord unexpectedly removed us. That was a difficult season, but God faithfully provided a new property that is already being used for multiple ministries:

- Counseling and discipleship
- Sifa Collective (training young women with skills and Scripture)
- Bible Training Centre for Pastors (BTCP) classes
- 100 Fold Publishing of Swahili Christian books

And, Lord willing, it will one day be the home of a new church plant, hopefully by next summer if the funding comes together.

The biggest next step is completing the unfinished upstairs, which is strategically designed to include:

- Dormitory space for pastors and students attending BTCP intensives
- A media room for recording Christian Swahili podcasts and YouTube videos to reach across East Africa
- Offices for the teams serving daily in counseling, BTCP, publishing, and member care

There are six rooms upstairs, and each requires about \$5,000–\$7,000 to finish (plaster, windows, ceilings, electrical, flooring, and furnishings). Completing these spaces will give us a sustainable ministry hub for training, publishing, media, counseling, and church planting for years to come.

This project is both strategic and time-sensitive as BTCP continues to grow and more leaders are coming for training. Having dorms and a media hub ready will multiply the impact significantly. Thank you again for considering how Grace might partner with us in this next season. We are so grateful for you and for Grace's heart for missions.

GAP MISSIONS – IVORY COAST

ORPHAN EDUCATION: \$8,000

CONTINUED MONTHLY SUPPORT: \$550 PER MONTH

James & LaNelle have been serving in Ivory Coast for over 20 years. They are church planters, evangelists, and have a home for orphan girls. In the past we have done all kinds of missions projects with them such as purchasing new church land, new roofs, new motorcycles for a ministry they have, helping purchase a new van so they can transport the orphan girls to school, etc. We love this ministry!

Update from James & LaNelle:

Another school year has arrived at GAP Orphanage. We will have 28 girls in school this year which includes our 3 university students who plan to take one more year of courses. We take total charge of these children when they arrive at GAP Orphanage. Imagine having 28 children living in your home and you will have an idea of what we face on a daily basis.

With inflation, transport, school lunches, uniforms, books, athletics, and personal needs, the cost seems unreachable, but the Lord has always fulfilled HIS promise to care for orphans and HE has never let us down.

Grace Fellowship has always been a “first responder” when it comes to helping with school expenses. The need is greater this year than ever before because many of the girls are older and have advanced in their level of education. Plus, **we just took on 9 more children, ages 7–9 years old this year.**

God always works through the hearts of His people and I trust that HE will work again through the people of Grace Fellowship. May God abundantly bless in this year’s missions month and make provision for all your hearts desire is my prayer.

Thank you for all you have done for us through the years, James

AVERAGE COST PER CHILD for the year will be \$610 for Grade School through High School ($\$610 \times 25 = \$15,250$)

COST per University Student: \$2,567 each. ($\$2,567 \times 3 = \$7,683$)

EYES OF HOPE CENTER: GHANA

CONTINUED MONTHLY SUPPORT: \$450 PER MONTH

Check out this update from Eyes of Hope:

The Eyes of Hope Vision Center was established in October 2023 through the support of Eyes of Faith Optical, OneSight, American Board of Opticians, and Grace Fellowship Church. Since opening, the Vision Center has provided care to more than 2,000 patients and continues to deliver high-quality vision services in the Gomoe East District of Ghana’s Central Region.

The goal of Eyes of Hope is to shine the light of Christ by restoring both physical and spiritual sight, sharing the love of Jesus through compassionate eye care, and bringing hope in Him to vulnerable individuals and communities—so that all may see clearly and know that true vision and everlasting hope are found in Jesus.

"But this I say: He who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully. So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver. And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work. As it is written: "He has dispersed abroad, He has given to the poor; His righteousness endures forever." Now may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruits of your righteousness, while you are enriched in everything for all liberality, which causes thanksgiving through us to God. For the administration of this service not only supplies the needs of the saints, but also is abounding through many thanksgivings to God, while, through the proof of this ministry, they glorify God for the obedience of your confession to the gospel of Christ, and for your liberal sharing with them and all men, and by their prayer for you, who long for you because of the exceeding grace of God in you. Thanks be to God for His indescribable gift!"
