THE LORD HAS DONE GREAT THINGS

Dear Church Family,

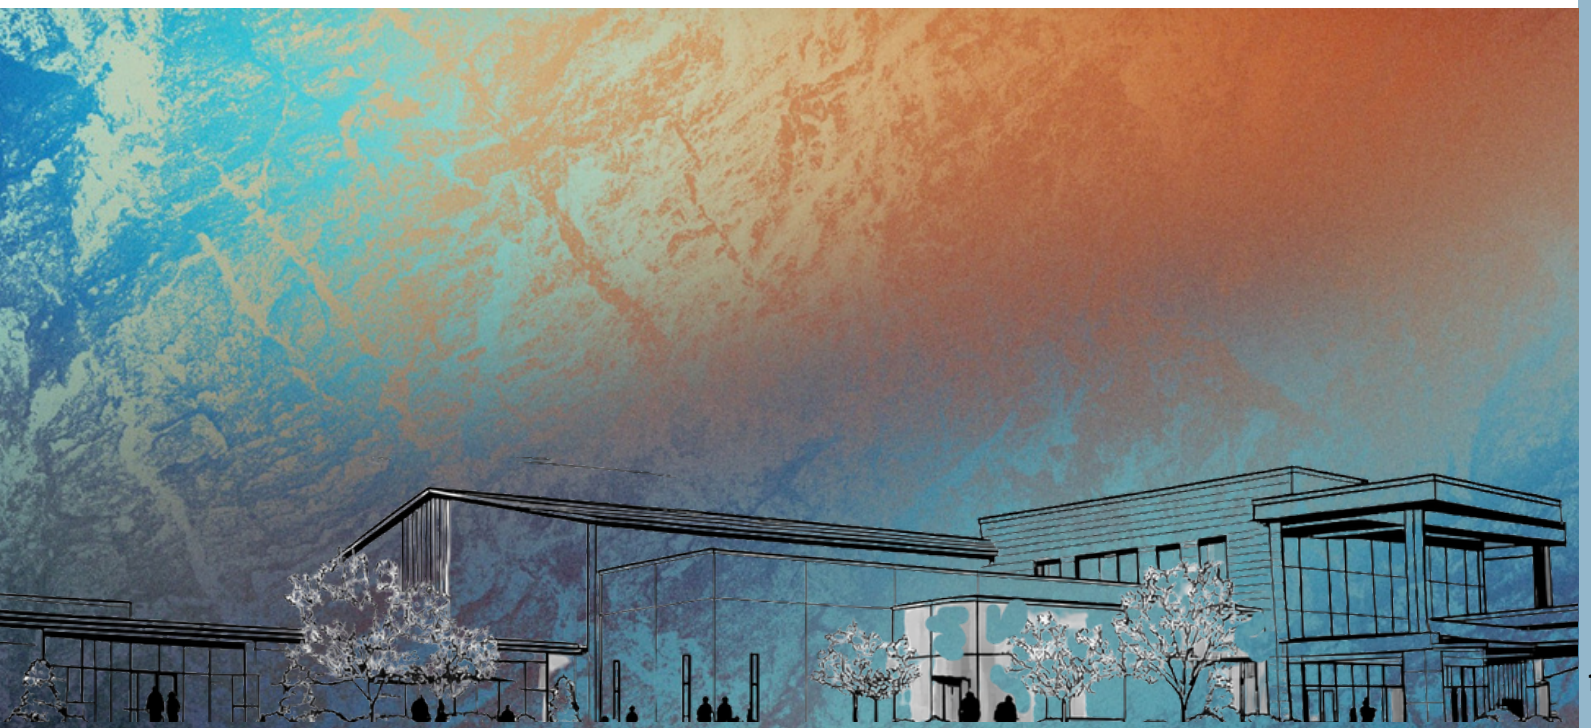

I am excited to share this update on the For The One campaign. After much prayer and seeking the Lord, we saw God moving in the hearts of this church family. On Celebration Weekend, we together committed to give over 8 million dollars over the next 3 years. In our First Fruits Offering, we received an amazing \$1.4 million. The Lord has given our people a mind and heart to want to get this project funded and underway!

We are excited to see what God will do with our obedience and sacrifice. I am excited to see these spaces transformed so that people's lives can be transformed when they encounter our beautiful Savior and begin to follow Him.

One of the single biggest blessings to me personally has been to see so many of our people who are young in their faith, trust God in the area of stewardship. I challenged many of you to just start trusting God by simply giving to the general fund. **Our general fund offerings have jumped 30%!**

In this report you will find more updates of what is happening next. Make sure to read it all! **The future is now! The Lord has done and is doing great things for His people.**

Pastor Roy Mack

INCREDIBLE RESULTS

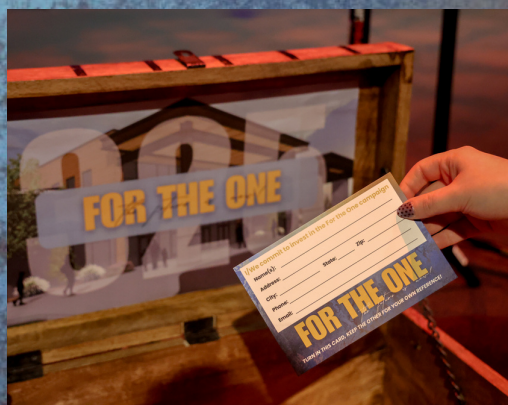

God has been so faithful throughout this campaign! Together, our church has committed

\$8,012,499

to be given from now through June 2029. Of that total number,

\$1,459,827

has already been given in our First Fruits Offering!

FOR THE ONE

The future is now!

New Frequently Asked Questions:

Q: How is the project moving forward now?

A: We are currently working with architects to finalize the blue prints for both the new auditorium and the remodel of this campus. This is a 4 month process. Civil engineers are being interviewed by Weaver and drawings will follow. After these crucial steps, we can begin obtaining permits and moving forward! We have acquired several tons of clean fill dirt that will be stored on site. This will be used to level the ground when the time comes. There is much behind-the-scenes work happening before any visible work begins. Visible construction will most likely begin Spring 2027.

Q: How will we be kept up to date on the For the One campaign?

A: We will continue to share newsletters on the Grace app and via email. Any major updates you will hear about here or in a weekend service. Please continue to pray over the details of this project. We are just getting started!

Q: How will people that are new to Grace be invited into this journey with us?

A: We will continue to offer PIE parties to anyone who is interested in learning more and getting involved with this project. Our prayer is always that God will continue to grow this church as He reveals Himself to more and more people. We want everyone to have the opportunity to be involved in this exciting adventure!

Q: How can my business place a bid to work on this project?

A: All bids will be placed through Weaver Commercial Contractor. Please note that Grace Fellowship Church will not be deciding on who gets the jobs. The best bids will be chosen by Weaver through Planhub, Bluebook and Builders Exchange. This will take place sometime this winter after drawings are completed.

SHARE YOUR STORY

Have you seen God working in your finances since making your commitment? We want to share your story to encourage others and celebrate God's goodness!

PRAYER - INFORMATION - ENCOURAGEMENT

Why more PIE parties?

In our PIE parties, our church has had the opportunity to hear more about the For the One campaign in a smaller setting, ask questions, pray together and share encouragement! Now the campaign giving period has begun, but we still have new friends joining us at Grace all the time! We want them to have the same opportunity to hear about the campaign and get involved in this journey as a part of our church family!

If you are new to Grace or you missed out before and want to know more about the For the One campaign, join us at an upcoming PIE party!
