President Obama once noted that kids without fathers are:

- 500% more likely to live in poverty and commit crime
- 900% more likely to drop out of schools
- 2000% more likely to end up in prison

Fatherlessness is a better predictor of incarceration than race or poverty.

If the following family members come to faith in Jesus, by person here's the likelihood of the rest of family coming to Christ after they did:

Wife – 18%

Kids – 22%

Father – 94%

Malachi 4:6
