

David's Fight For His Family (Part 1)

2 Samuel 12

As a Life Group:

1. Pray for one another.
 2. Pray for those who don't know Christ by name.
 3. Ask each other: "What has God done in your life this week?"
 4. Ask each other: "What has God taught you this week?"
 5. Ask each other: "Have you shared Jesus with anyone this week?"
 6. How can you serve together as a group?
1. David's family was ripped apart by sexual sin, hatred, murder, pride, and a plethora of other sin. How have you seen—or personally experienced—sin causing brokenness in family relationships?
 2. If you are a parent of children who are still at home or if your children are grown, how are you (or, have you) striven to shepherd their hearts in the way of following the Lord and obedience to Him?
 3. If your children have grown how have you navigated through times when they haven't been following the Lord? What hope have you found during these times?
 4. If you are a parent of children who are still at home or if your children are grown, how are you (or, have you) striven to "protect" them? If your children are grown, what are some lessons you learned as you allowed your children to grow, make their own decisions in life, and what has it taught you about trusting the Lord?
 5. As David watches his family ripped apart by sin, he is completely helpless to save them or fix the brokenness. If you have experienced this, what lessons have you learned about God? About sin? About people?
