Wycliffe[®] Bible Translators

What would life be like if you weren't able to read the Bible? Join the mission to translate the Gospel of John into the language of an unreached tribal group in southeast India. Scripture boards are in the foyer for you to choose which verses you would like to translate. Each verse is \$36 to translate. If we put our resources together we can get this book translated for a people group who have had no access to these scriptures in their heart language. Gifts can be made in person or online.
