GOD'S DESIGN FOR HIS PEOPLE

Week 3: Rule #3 – Character Is the Culture

1 Timothy 3:1–13

Small Groups

Who you are matters more than what you do. In God's family, influence flows from integrity, not position. The church is shaped by ordinary people living transformed lives.

1. Why do you think Paul focuses more on character than competence in leadership?
2. What qualities in this passage stand out as especially important for our culture today?
3. How does your private life affect your public influence?
4. What's one area where God may be calling you to greater integrity?
5. How can we encourage each other to make character the culture in our church family?

Live It Out: Choose one character quality from this passage and ask God to help you grow in it this week.
