## Week 5: Christmas Eve: The Disruptive Arrival of Grace

Scripture: John 1:14

Small Groups

The arrival of Jesus is the most holy disruption of all—where heaven meets earth to redeem humanity.

1. How does the incarnation—God becoming human—change how you see His love for you?
2. In what ways has Jesus “disrupted” your life for the better?
3. What does it mean that grace often shows up in unexpected ways?
4. How can you bring the light and love of Christ into someone else’s chaos this season?
5. How will you personally respond to the truth that “*the Word became flesh and dwelt among us*”?

### Prayer Prompt:

“God, thank You for stepping into our darkness with light and grace. May the reality of Your presence transform our hearts this Christmas and beyond.”
