

Oh Holy Disruption

Week 1: Mary – When Life Gets Flipped

Scripture: Luke 1:26–38

Small Groups

God's interruptions are invitations to trust
Him more deeply.

1. What area of your life might God be asking you to surrender—to trust His plan over your own?
2. How are you making yourself available to God for His purpose?
3. Is your ideal life and plans keeping you from welcoming God's purpose?
4. When has an unexpected change in your life led to unexpected growth or blessing?
5. What helps you move from fear to faith when God's plans surprise you?

Prayer Prompt:

“Lord, help us respond like Mary—with open hands and willing hearts. Teach us to trust Your plan, even when life feels flipped upside down.”
