GOD'S DESIGN FOR HIS PEOPLE

Week 1: Rule #1 – Love Is the Goal

1 Timothy 1:1–11

Small Groups

The gospel creates a culture of love. God's family isn't built on rules or rituals but on relationships shaped by truth and grace. When the gospel is at the center, love becomes the culture of God's people.

1. What does Paul mean when he says, 'The goal of this command is love'?
2. How do false ideas or distractions pull people away from gospel-centered love today?
3. When have you seen genuine love change the culture of a home, group, or church?
4. What helps you keep the gospel at the center of your daily life?
5. This week, what's one way you can make love your goal in a difficult situation?

Live It Out: Look for one opportunity this week to show love in a way that costs you something.
