

A dynamic splash of clear blue water against a light, textured background. The water is captured in mid-air, creating a sense of movement and freshness. The splash originates from the left side and moves towards the right, with many small droplets and larger, more defined water shapes.

The Prayer of the Thirsty

Lord, I come thirsty.

I receive your word and all that it promises me.

I receive your energy for I know I can do all things through Christ who gives me strength.

I receive your lordship. I belong to you. You are my light and my salvation.

I receive your love for nothing can separate me from your love.

In your name, Jesus, I pray.
