

A dynamic splash of clear blue water against a light, textured background. The water is captured in mid-air, creating a sense of movement and freshness. The splash originates from the left side and spreads across the frame, with many small droplets and larger, more defined water shapes.

Stay Hydrated This Summer at HighPoint!

Summer in the Son 2017

A stone arch bridge spans a river with turbulent, brown water. The water is churning and white with foam, indicating rapids or a dam. The bridge has a wooden railing. In the background, there are green hills and trees.

Bridge Over Troubled Water

We fear...

1. Not being in control
2. Being insignificant
3. The Unknown

We face our fears with faith by...

1. Walking closer with Jesus
2. Looking beyond our circumstances
3. Holding onto Jesus' hand
