Teaching Series: Constructing Trust

Trust is a significant reality in our lives that we use every single day, and we can know all too well the affects of trust being broken. This Sunday we are kicking off our Constructing Trust series by digging into why trust is so powerful, why it hurts so bad when it is broken, and why it is critical for any healthy with God and others.

Coming up this Fall:

Wednesdays 6:30-8pm: Midweek Gatherings!

This Fall, we are bringing back our Midweek gatherings and diving into a series called "Do Not Fear!" that studies the book of Revelation and shows us how it is Good News for us today! Join us Wednesdays from 6:30-8pm!

Prayer Time Shift: Sundays 10-10:30am

Starting September 6, our Sunday morning prayer gathering will be shifting its meeting time to 10-10:30am, and moving into the sanctuary! Join us for a time of corporate prayer for one another, our ministries, our families, neighbors, and community. If you cannot make it for the whole time we still encourage you to join as much as you can!
