**• Today's Scripture:**

**• DUDE CHILL OUT**

*Have you ever told someone to slow down or stop? Series Situation, Comical, Save them the embarrassment*

**• The Early Church**

*Church teaching and practice can be like someone learning to sing and find a rhythm and melody. At certain times, someone creates a sour note that the church must correct to help bring the melody together. Those sour notes in church doctrine are called heresy.*

**• ACTS 2:42**

*<sup>42</sup>They devoted themselves to the apostles' teaching, fellowship, breaking bread, and prayer.*

**• Devoted**

*They devoted themselves to the teaching of Jesus from the apostles. This teaching was sound doctrine based on what Jesus taught and their beliefs. There are many opinions, worldviews, and religions, but the early church was committed to showing the distinction between how they lived and what they believed.*

**• Opposites**

*Heresy vs. Orthodox Doctrine Doctrine is the act of teaching or that which is taught. Doctrine is scripture teaching on theological truths.*

**• A Young Leader of the Young Church**

*Dealing with Issues of Doctrine and being confronted by strange teachings. Two people in Timothy's congregations were proclaiming something untrue and causing others to struggle with their faith.*

**• 2 Timothy**

*<sup>16</sup> Avoid irreverent and empty speech since those who engage in it will produce even more godlessness <sup>17</sup> and their teaching will spread like gangrene. Hymenaeus and Philetus are among them. <sup>18</sup> They have departed from the truth, saying that the resurrection has already taken place, and are ruining the faith of some. <sup>19</sup> Nevertheless, God's solid foundation stands firm, bearing this inscription: The Lord knows those who are his, and let everyone who calls on the name of the Lord turn away from wickedness.*

**• Discussion on Heresy**

*Heresies aren't different religions but mutations of the Christian faith. They happened in the church. This discussion is a welcomed tune-up to help us know if we need to adjust our beliefs and practices to reflect the Jesus of the Bible.*
