To Our Church Family

There's really no way to properly thank you all for all the ways you've loved on us since Chestine's passing. You've called, texted, visited, brought food, served us and prayed for us through this difficult time and we can't thank you enough.

We aren't blood-related to one another but you **are** our family and we love you so much.

Your presence with us has been a beautiful gift!

Love, Earl, Bruce, Stephanie and Thomas Hill
