What Is the Bible Truck?

The Bible Truck is a mobile exhibition that displays the history of the World's Best Seller – The Bible. The goal of the "Bible Truck" is to impact a nation desperately in need of God's Word. This unique mobile exhibition features hundreds of historical exhibits, including: educational posters, maps, Bibles, stories of persecution for the Bible, videos about the Bible and a clear gospel message that's embedded into the very core of this project.

This one-of-a-kind exhibition on wheels offers an immersive, educational experience by presenting a wide array of historical exhibits. These include informative posters that chronicle various Bible-related themes, beautifully illustrated maps that trace the Bible's journey across time, and an impressive collection of Bibles, each with its own unique narrative.
