Checkers

"If you look at many of the famous leaders throughout history, you'll notice they became famous because they navigated through seemingly impossible times. They held the flashlight at the end of the tunnel. Legendary leaders such as Abraham Lincoln, Susan B. Anthony and Franklin Delano Roosevelt come to mind. All historical figures were faced with incredibly complex or catastrophic situations. Instead of cowering in indecision, they reacted boldly and aggressively. They threw conventional wisdom out the window and developed their own playbooks on the spot."

Athlete's Crown

Now everyone who competes exercises self-control in everything. However, they do it to receive a crown that will fade away, but we a crown that will never fade away.

Therefore I do not run like one who runs aimlessly or box like one beating the air. Instead, I discipline my body and bring it under strict control, so that after preaching to others, I myself will not be disqualified.

1 CORINTHIANS 9:25-27

There is reserved for me in the future the crown of righteousness, which the Lord, the righteous Judge, will give me on that day, and not only to me, but to all those who have loved His appearing.
