

A Warning To The Woke Church

Colossians 2:6-10

Five Tenants of Woke Culture:

CRT (Critical Race Theory) *Race is sociological not biological and racism and bigotry has invaded every part of society and culture and is perpetuated by the legal system. (LGBTQ and Radical Environmentalism is now included).

Social Justice (Oppressors/Victims) Justice must be obtained and is based on categories rather than individuals.

Intersectionality (Points Based System Determining Victimhood or Oppressor)

Virtue Signaling (Identifying With Victims In Order To Atone For Societal Sin)

Cancel Culture (Eliminating Someone Who Dares To Disagree)
