

CRITICAL RACE THEORY #8

Warring With Wormtongue

Introduction

Thomas Paine was one of the few of America's founding fathers who was not a Christian. But he was a Patriot who loved his country and spoke up when he saw it under attack.

Thomas Paine

When my country, into which I had just set my foot, was set on fire about my ears, it was time to stir. It was time for every man to stir.

History is repeating itself. Our country is being set on fire about our ears and it's time to stir. Paine's little pamphlet 'Common Sense' stirred up the young nation when he said...

Thomas Paine

The duty of a true Patriot is to protect his country from its government.

And so it is today. Our greatest threat today is from our own government that is systematically taking away our freedom and moving us toward Socialism. It is time for America's pulpits to speak the truth and remember Paine's words...

Thomas Paine

He who dares not offend cannot be honest.

When I was born near the end of WWII in 1944, Franklin D. Roosevelt was in office as the 32nd President of the United States; so I have now lived under 15 U.S. Presidents. 2 were really great. 2 were really bad.

The one we have now is the worst in my lifetime. In just 6 months in office...

He shut down the Keystone Pipeline, which has given our energy independence. Our inflation rate is at a 30 year high. And his immigration policy is a disaster.

Immigration Under Biden Administration

**In his first 4 months in office, 323,000 illegals walked through our southern border; we are now averaging 3,500 per day
Fox News predicts 2 million illegals will enter this year
Fentanyl has increased 4000%; Methamphetamine up 47%**

Worse yet, he has NO PLAN to fix it.
Nor does he seem concerned about the increase in crime under his short watch.

CRIME INCREASE UNDER BIDEN

(Homicide and Murder Rates)

- **Portland: Up 800%**
- **Chicago-Up 35%**
- **Los Angeles-Up 95%**
- **San Francisco-Up 100%**
- **New York City-Up 73%**
- **Washington, D.C.-Up 25%**
- **Minneapolis-Up 56%**
- **Seattle-Highest rate in 26 years**
- **Baltimore-57 murdered in 50 days**

Our President seems in a daze and obviously confused.

When he was running as a candidate...

Joe Biden in 2020

The greatest threat to America is Russia.

Shortly after becoming President...

President Joe Biden early 2021

I just met with the Joint Chiefs of Staff, and do you know what they said was the greatest threat facing America is? Climate change.

Then last month, he sounded like a critical race theorist when he said...

President Joe Biden 2 weeks ago

“The most lethal threat to the homeland today is not terrorism from ISIS or Al Qaeda. It is terrorism from White Supremacy.”

President Biden has been on the wrong side of every issue.
But he did get one thing right...

Joe Biden

“We are in a battle for the soul of America.”

This is true. Make no mistake, beloved.
The battle for our nation is not primarily *political*. It is *spiritual*!

The cure won't come by politics alone or by criticizing President Biden.
The Apostle Paul identified our real enemies...

Ephesians 6:12

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

There are demonic spirits, principalities and powers, rulers of darkness and spiritual wickedness in high political places that are controlling many of our political leaders.

The closest thing to what it looks is from Tolkein's Lord of the Rings, where King Theoden is under the influence of Grima Wormtongue, the voice of the demonic power controlling the King. In this sequence, Gandalf outwrestles Wormtongue and casts out the demon controlling the King.

Lord of the Rings, The Two Towers Video (2:43)

<https://www.youtube.com/watch?v=b3w6c7RUbUs>

I pray God raise up an army that will wrestle with Wormtongue like this!

Gandalf the Grey, Lord of the Rings

“Be silent! Keep your forked tongue behind your teeth. I did not pass-through fire and death to bandy crooked words with a witless worm.”

Our enemy is not flesh and blood; the political party in power is under the influence of the same Wormtongue that has brought many kings and countries to destruction. It is the voice an ideology known as socialism or cultural Marxism.

I. We Are At War With the Wormtongue

A. The Battle is Spiritual

1. The same spirit that controlled Karl Marx is now controlling many of our most powerful political leaders.

2. Modern American Marxism has many manifestations under many names.

Wormtongue Today

Progressivism

Equity

Socialism

Social Justice

Black Lives Matter

3. When you look at the list you might wonder what could be wrong with it.

a. Isn't progress good?

b. Isn't that like equality?

c. Isn't it good to be social?

d. Who doesn't want 'social justice'?

e. Who would not agree that 'Black Lives Matter'?

4. But Wormtongue hides behind the throne; Marxism masquerades behind false flags like 'Social Justice' and 'Black Lives Matter'.

Thomas Paine

The greatest tyrannies are always perpetrated in the name of the noblest causes.

a. Think about it. In the name of 'public health' and 'saving' us from the virus, the American people have suffered the greatest tyrannies ever perpetrated against our personal freedoms.

5. Marxists always masquerade their true motivations. And Jesus warned us about them in the Sermon on the Mount...

Matthew 7:15-16

Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves. You will know them by their fruits.

a. The most dangerous wolf doesn't look like a wolf. The most dangerous wolf looks like a sheep!

6. The Lord says the only way to know them is 'by their fruits'; take the 'Black Lives Matter' movement. We all agree that 'Black Lives Matter'. But look at the fruits!

a. Under the banner of 'Black Lives Matter', hundreds of stores have been burned or looted; police forces have been demoralized and defunded; cops have been shot. Bad fruit for sure.

b. So how is it that so many Pastors and professing Christians say they support this movement?

Lance Wallnau

If you really believe black lives matter, then don't support Black Lives Matter. Because I believe black lives matter more than Black Lives Matter matters. For the simple reason that Black Lives Matter doesn't care about black lives. It cares about power.

7. These people have hid behind a slogan to justify burning, looting and violence. The truth is that Black Lives Matter is a Marxist movement behind much of the violence in our streets; right on the party line

Karl Marx

Communists everywhere support every revolutionary movement against the existing social and political order of things. They openly declare that their ends can be attained only by the forcible overthrow of all existing social conditions.

8. I want to take the rest of our time to let Wormtongue speak for himself. We will begin to look at 7 things Wormtongue has whispered in the ears of Kings who are under his spell; they are all upon us today.

9. You can see all this playing out in America right now...

Whispers of Wormtongue

Attack God, God's Law, and God's Church
Create and cultivate racial division and discord
Limit freedom of speech
Control the Press
Control Public Education
Control the Elections
Control the guns

II. Whispers of Wormtongue: The Marks of Marxism

A. Attack God, God's Law, and God's Church

1. Make no mistake about it; Socialism and Marxism are fundamentally atheistic, even if they call themselves a Christian.

Karl Marx

My object in life is to dethrone God and destroy capitalism.
Communism begins where atheism begins.

a. Marx disciple Joseph Stalin ruled Soviet Russia from 1927-1953 and murdered more than a million of his own people in the ethnic cleansing known as the "Great Purge":

Joseph Stalin

You know they are fooling you, there is no God.

2. It's no accident that the Democrats are the first political party in American history to remove the name of God from the official party platform.

a. They are also trying to remove the phrase 'under God' from our pledge of allegiance. They agree with Russian Bolshevik leader...

Leon Trotsky

Religions are illogical primitive ignorance. There is nothing as ridiculous and tragic as a religious government.

3. Wormtongue Marxism hates God and attacks His law.

a. You wonder why they want to take away our freedoms?

Karl Marx

There are eternal truths, such as Freedom, that are common to all states of society. But Communism abolishes eternal truths, it abolishes all religion, and all morality, instead of constituting them on a new basis; it therefore acts in contradiction to all past historical experience.

b. The Bible says God made man 'in His own image and likeness' with the gift of free will. But...

Karl Marx

The democratic concept of man is false, because it is Christian. Their concept holds that each man is a sovereign being. This is the illusion, dream, and presumption of Christianity.

c. God created the woman to be with the man and performed the first wedding in the Garden of Eden. But they do not recognize the sacredness of marriage:

Karl Marx

There is no greater stupidity than for people to marry and so surrender themselves to the small miseries of domestic and private life.

d. Actually, the Wormtongue crowd rejects the sacredness of all things, including the concept of objective truth.

Karl Marx

In the eyes of our dialectical philosophy, nothing is established for all times, nothing is absolute or sacred.

e. Math used to be math; now they tell us it is racist.

4. Wormtongue is at work wherever you see political powers that tear down a peoples traditions and values.

Joseph Goebbels

We shall reach our goal, when we have the power to laugh as we destroy, as we smash, whatever was sacred to us as tradition, as education, and as human affection.

a. Today we see people burning the flag; tearing down monuments; supporting gay marriage.

b. And some claim to be Christian.

5. History teaches us that Wormtongue will eventually come against the Church. Last year they closed down our churches in the name of public safety; next year who knows? In Russia...

Joseph Stalin

By May 1st, 1937, there should not be one single church left within the borders of Soviet Russia, and the idea of God will have been banished from the Soviet Union as a remnant of the Middle Ages, which has been used for the purpose of oppressing the working classes.

a. A few years later, in Nazi Germany, Hitler henchman Heinrich Himmler would boldly declare...

Heinrich Himmler

We shall not rest until we have rooted out all Christianity .

7. Remember, all these men came to power through the political system while Christians were falling asleep. Adolf Hitler's Minister of Propaganda tells us how they use democratic principles against us...

Joseph Goebbels

We enter parliament in order to supply ourselves, in the arsenal of democracy, with its own weapons. If democracy is so stupid as to give us free tickets and salaries for this bear's work, that is its affair. We do not come as friends, nor even as neutrals. We come as enemies. As the wolf bursts into the flock, so we come.

(This is what they did in the last election)

B. Wormtongue Rigs Elections

1. The socialists use our democratic freedom to vote against us. This is what they do.

Joseph Stalin

I am not concerned at all with who votes. I am very much concerned with who counts the votes. Political power does not rest with those who cast votes; political power rests with those who count votes.

2. Venezuelans vote; but Nicolas Maduro decides who counts the votes. Cubans vote; but the Castros count the votes.

3. Now all this has come to America! Wormtongue is using the guise of 'voter's rights' to legalize illegal voting practices. It's right out of the Marxist playbook.

4. When the Christian community recognizes the work of the Wormtongue we can begin to rebuke the spirit that is behind the headlines of our day. When Wormtongue is at work we need a Gandalf!

Gandalf the Grey, Lord of the Rings

"Be silent! Keep your forked tongue behind your teeth. I did not pass-through fire and death to bandy crooked words with a witless worm."

5. God did not bring His people through fire and death to bandy words with these witless worms!

Ephesians 5:11

And have no fellowship with the unfruitful works of darkness, but rather expose them.

6. This is the work of the Church in this hour of crisis.

III. Conclusion

A. The Next Great Awakening is Already Underway

1. Revivals begin in small ways; Americans are waking up to the warfare with the Wormtongue for the soul of the nation. The enemy is ruthless!

Karl Marx

We have no compassion and we ask no compassion from you. When our turn comes, we shall not make excuses for the terror.

2. Just like in the video clip, they seek to disarm us; but they have left us armed with all we need!

3. Gandalf's staff is the authority of the Word of God! It has the power to deliver us from evil; it has the power of the Truth that sets us free.

4. Will we have the courage to use it?
