

Prayer for a miracle / God-event:

Heavenly Father, thank You that You are a God who heals, delivers, and restores. Thank You that You bring hope, joy, and peace. Thank You that, through the blood of Jesus, I have been redeemed out of the hand of the enemy and that his power is broken over my life. Where there has been fear and anxiety, I pray in the name of Jesus that it will go, and the peace of God will come into my life giving me a new hope for the future. Where there has been oppression, discouragement, and depression, may it be broken over my life now, in the name of Jesus.

I choose to turn my attention to You and away from my current challenges, to declare that my God is alive, well, and at work on my behalf. I stand in Your presence to say "I believe." I believe You can bring health to my body, and peace to my mind, and renewal to my soul, and deliverance to my life. You can make a way where the path seems impassible today. I thank You for it, and I trust You for Your very best in my life.
In Jesus' name, amen.
