

Prayer of Forgiveness:

Almighty God, forgive me of my sins. I have fallen short of what You created me to be. I acknowledge my rebellion and my sin against You. I'm without excuse. Cleanse me, and I will be clean. Pardon me, and I will be free. I choose to forgive all those with whom I am entangled by unforgiveness and anger. Lord, give me clarity on who I need to forgive, and remind me of situations that caused me hurt that I need to surrender to You. I praise You for what You will do and the freedom that will come to me.

I release these people: _____. I choose to forgive them, in obedience to You.

I release the following situations to you, and choose to forgive everyone involved with them: _____.

Lord, when Satan tempts me to revisit these hurts, remind me of this moment, and how I have released them into Your care, Your justice, and Your administration—fully and completely. I trust in You, and I rejoice in my new freedom. All of Satan's claims against me have been canceled. I am a child of the King. I have been justified, redeemed, sanctified, and now serve the Creator of all things. In Jesus' name, amen.
