

Baptism of the Holy Spirit:

Heavenly Father, I read in Your Word where You said that I would be baptized with Your Spirit. I come in obedience to that Scripture and ask that You would baptize me with Your Spirit in a powerful way. I thank You for it. I want to yield my life to You and yield myself to You without reservation—without limit, without preconditions—that Your purposes might come forth in me in this generation. Now give me a mighty baptism. In Jesus' name, amen.

Acts 2:36-39

"If you prayed that sincerely, I believe God has baptized you in His Spirit. And if you're willing, you can pray in your prayer language. So at home, at work, while you're driving, wherever you are, stay open to that. Make whatever sound you feel like is in your heart." — Pastor Allen Jackson, page 255, Unleashing the Power of the Holy Spirit
