

POWER OF ALIGNMENT

Proximity to Access

Proximity and **Access** are not equal.

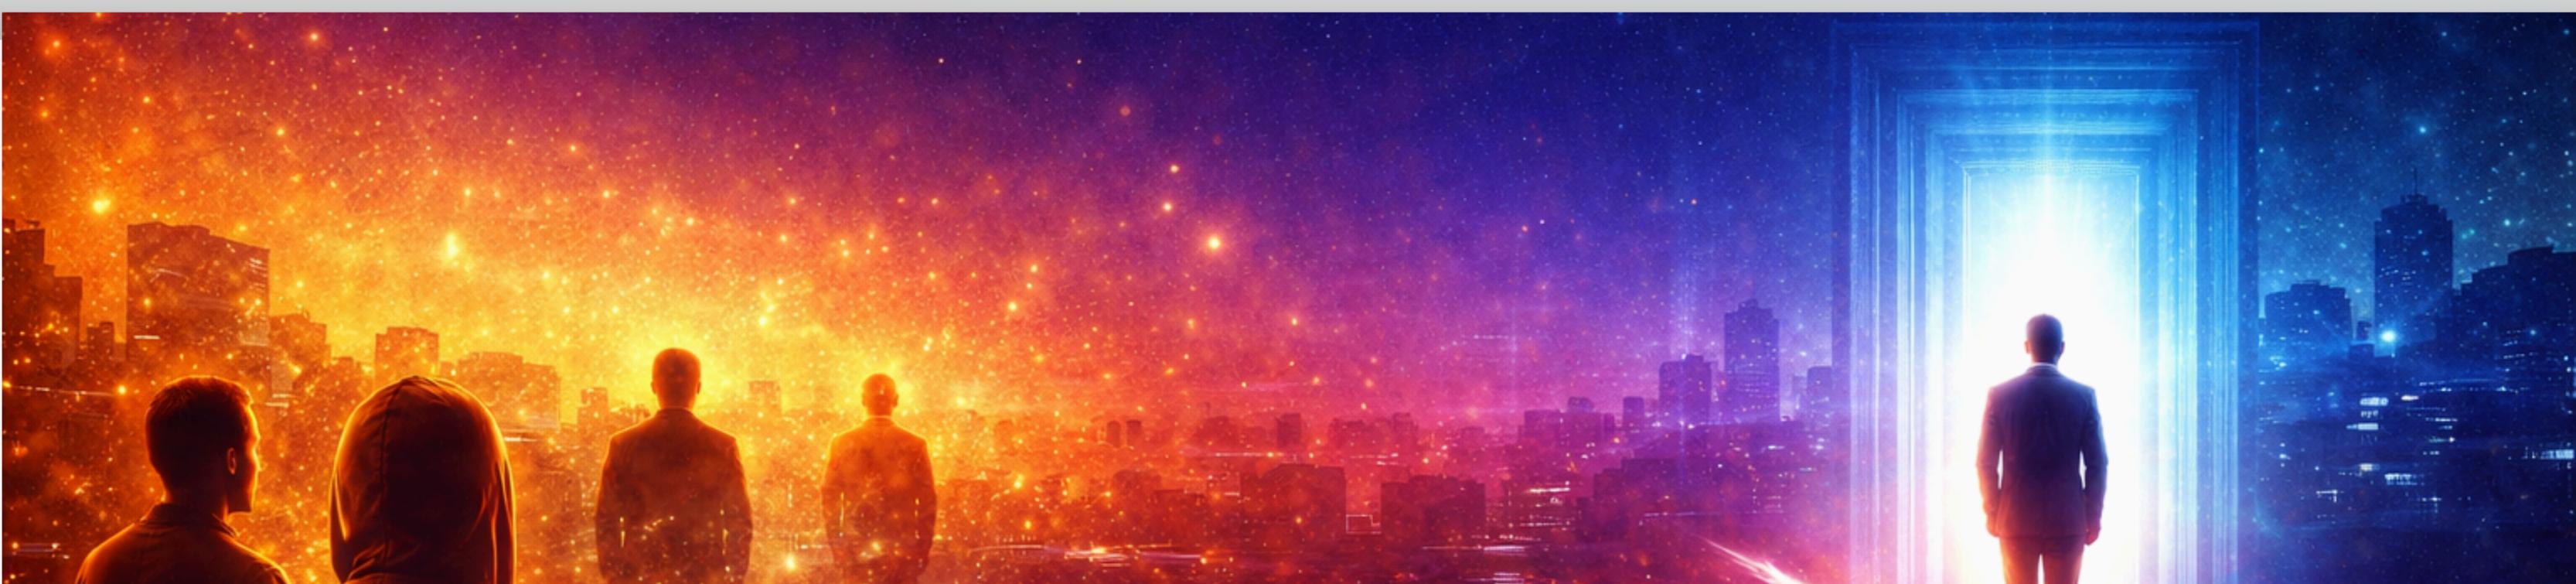

- **Proximity** >>>> Nearness in position
- **Access** >>>> Nearness in relationship, authority, or faith

Proximity does not mean
Access

Gulfs **widen** between those who desire **order/alignment** and those who want, or are comfortable with, **disorder/misalignment.**

What is the significance of the virtue of God?

KJV

“...immediately knowing in himself that virtue had gone out of him”

MESSAGE

“Jesus felt energy discharging from him.”

TPT

“...for he felt the power that always surged around him had passed through him for someone to be healed.”

MARK 5:30 KJV

And Jesus, immediately **knowing in himself** that virtue had gone out of him, turned him about in the press, and said, Who touched my clothes?

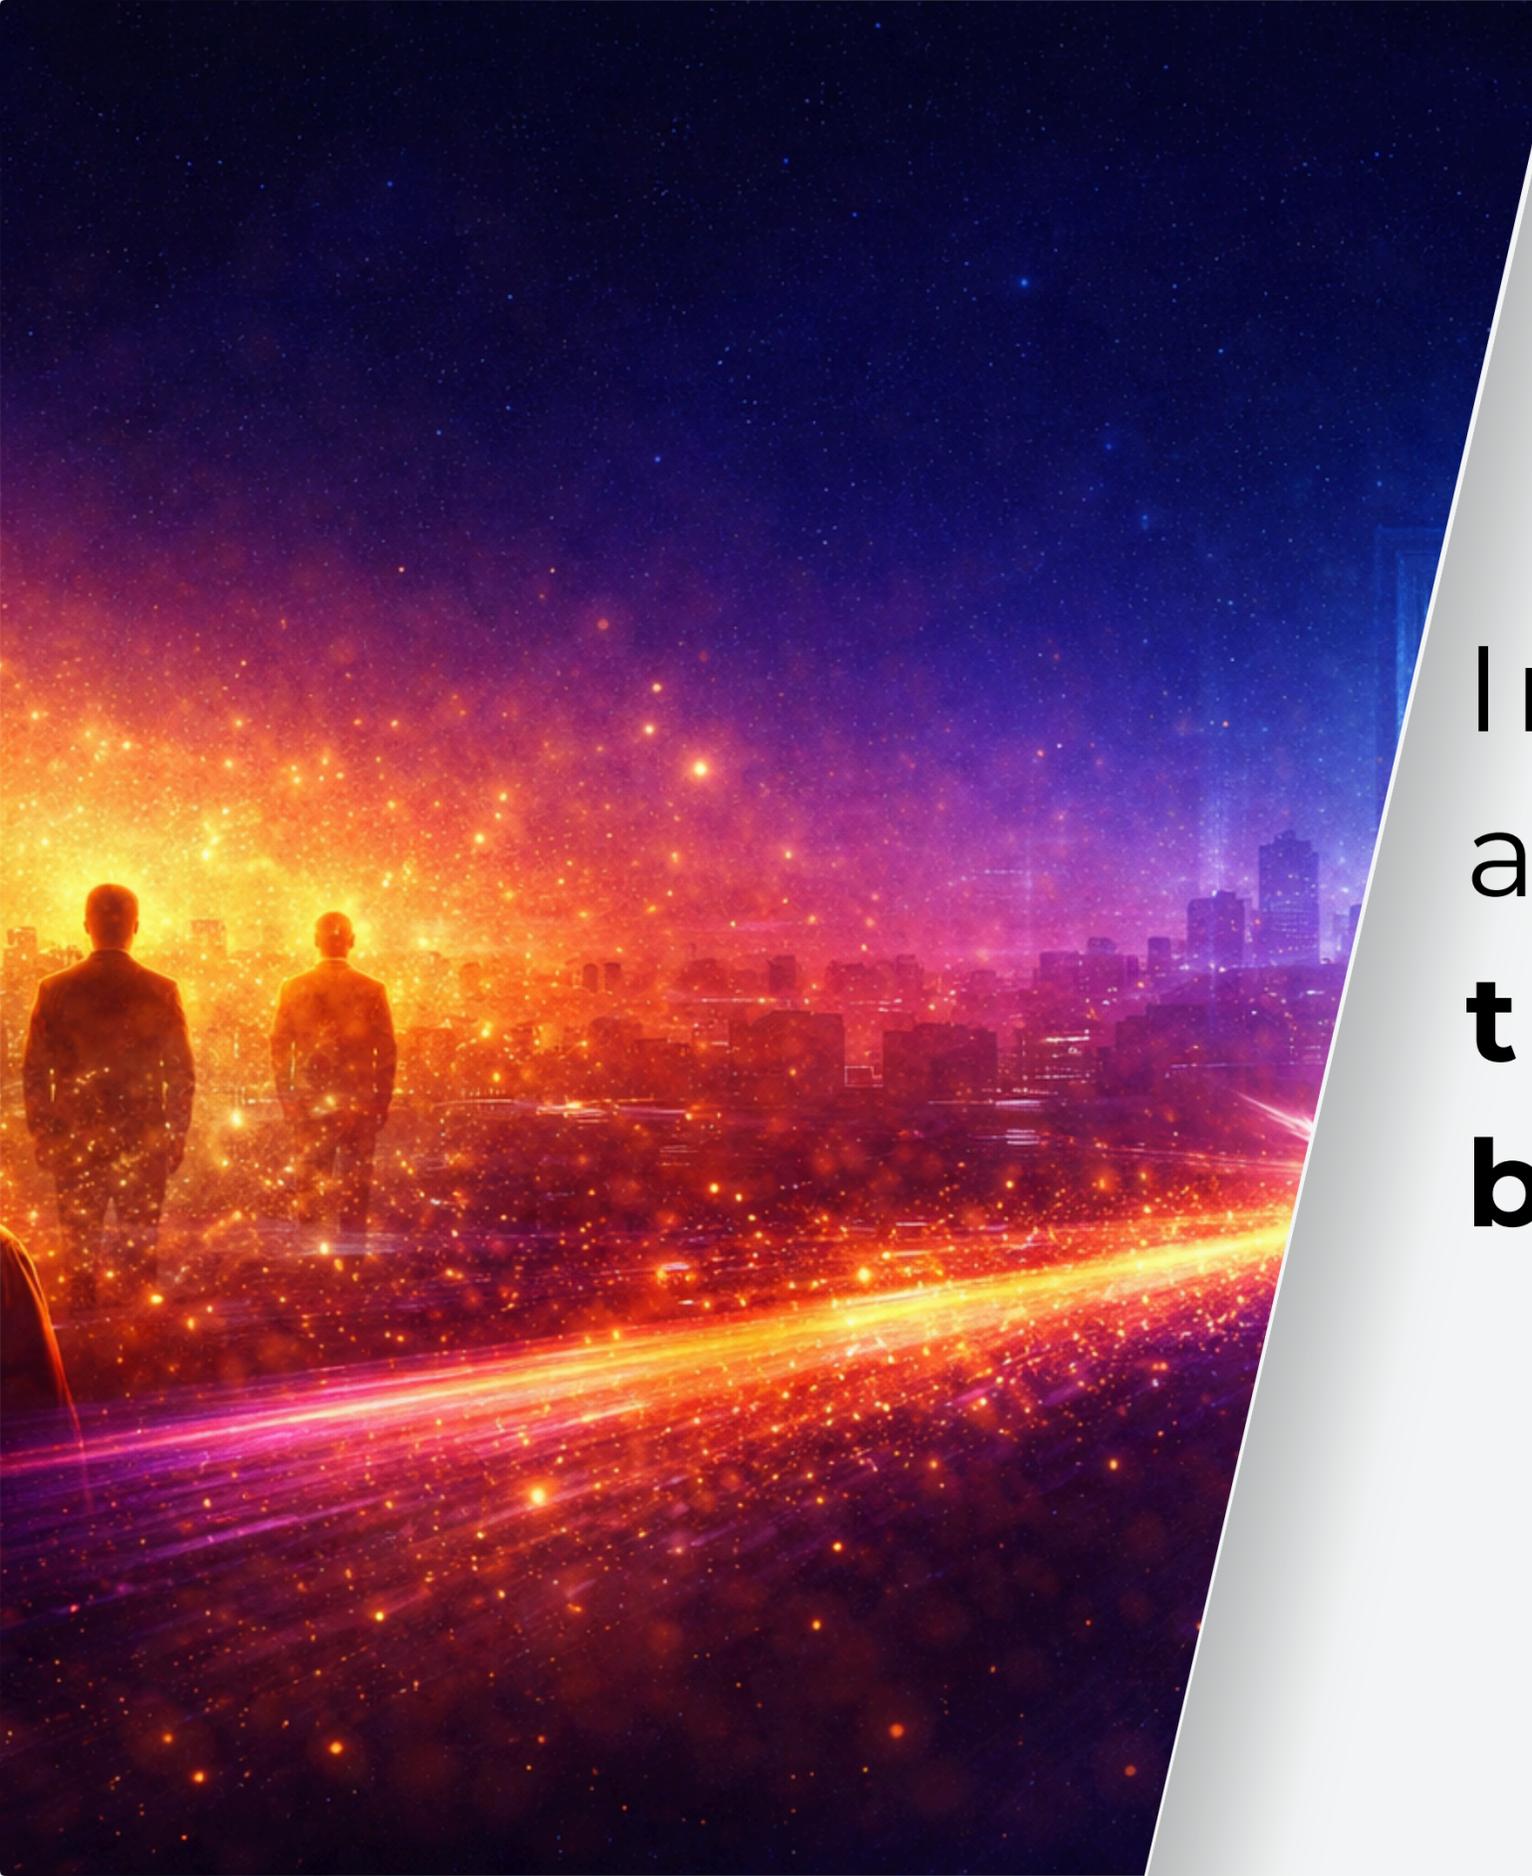

Virtue is power in motion
with an assignment.

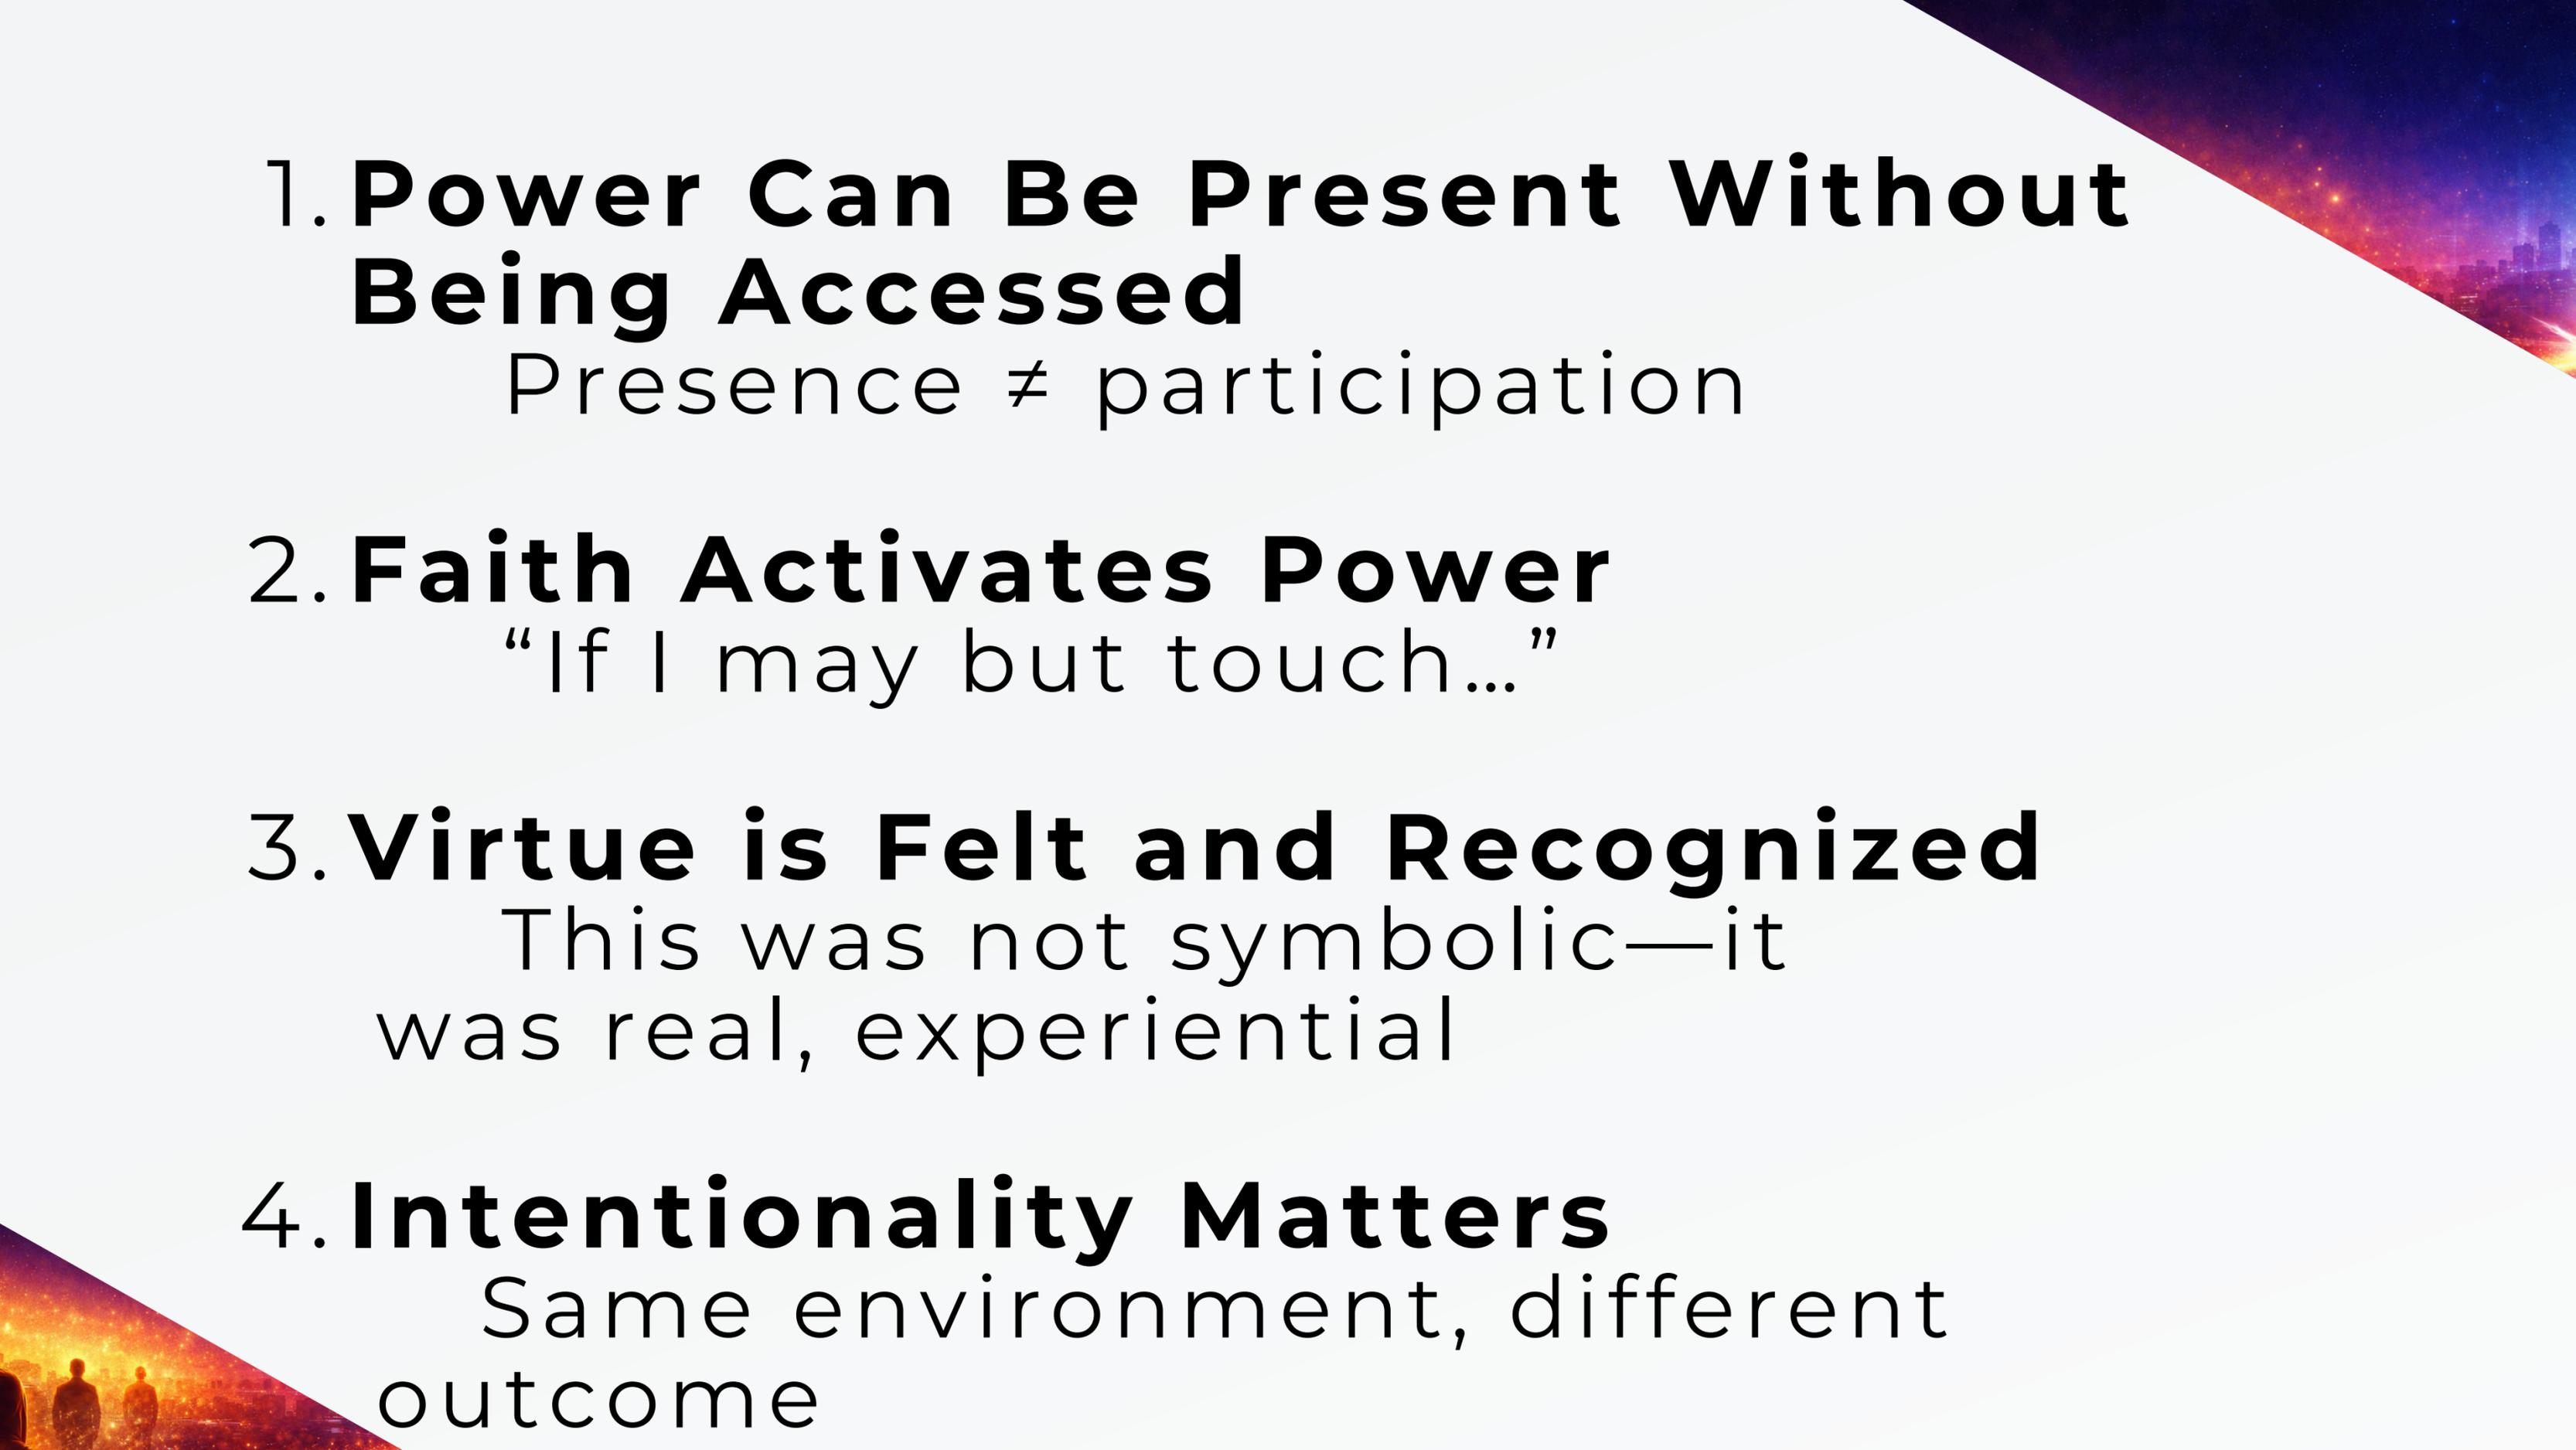

PHILIPPIANS 4:8-9 KJV

8 Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

9 Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you.

In this season, my faith
and alignment, **will be**
the keys to my
breakthrough.

1. **Power Can Be Present Without Being Accessed**

Presence ≠ participation

2. **Faith Activates Power**

“If I may but touch...”

3. **Virtue is Felt and Recognized**

This was not symbolic—it was real, experiential

4. **Intentionality Matters**

Same environment, different outcome
