

JOHARI WINDOW

HELP US TO SEE OURSELVES

The Johari Window is a technique that helps people better understand their relationship to themselves and others.

It seeks to enable a person to understand themselves better through open communication with another.

TO PRESS!**

Romans 7:4–6 TPT

[4] So, my dear brothers and sisters, the same principle applies to your relationship with God. For you died to your first husband, the law, by being co-crucified with the body of the Messiah. So you are now free to “marry” another—the one who was raised from the dead so that you may now bear spiritual fruit for God. [5] When we were merely living natural lives, the law, through defining sin, actually awakened sinful desires within us, which resulted in bearing the fruit of death. [6] But now that we have been fully released from the power of the law, we are dead to what once controlled us. And our lives are no longer motivated by the obsolete way of following the written code, so that now we may serve God by living in the freshness of a new life in the power of the Holy Spirit.

Hebrews 4:13 TPT

[13] There is not one person who can hide their thoughts from God, for nothing that we do remains a secret, and nothing created is concealed, but everything is exposed and defenseless before his eyes, to whom we must render an account.

“To be loved but not known is comforting but superficial. To be known and not loved is our greatest fear. But to be fully known and truly loved is, well, a lot like being loved by God. It is what we need more than anything. It liberates us from pretense, humbles us out of our self-righteousness, and fortifies us for any difficulty life can throw at us.”
