

LEGACY & INCREASE

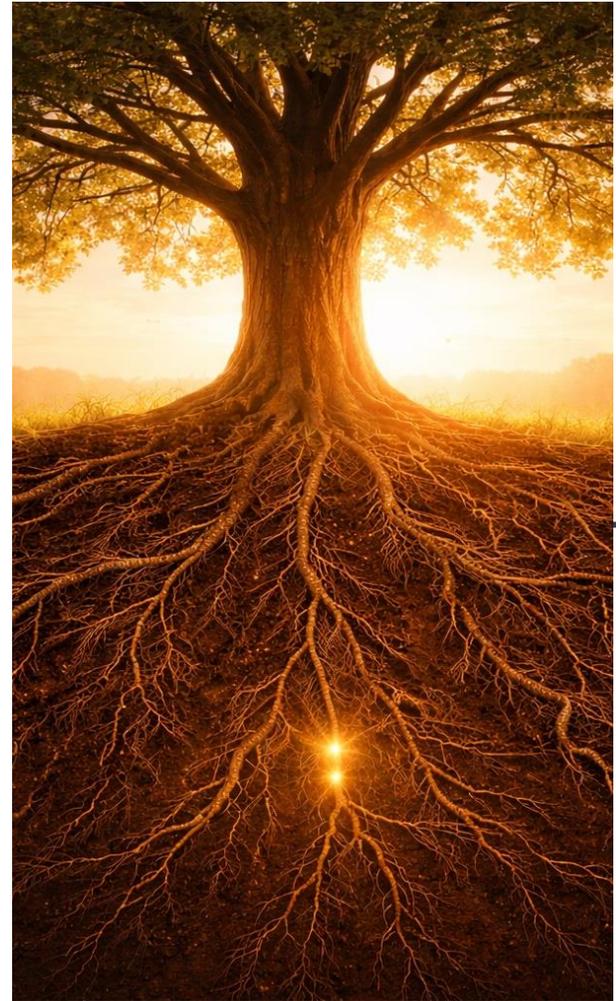

**THE LORD IS SAYING,
“I AM WITH YOU AND
I WILL SHOW YOU
THE WAY TO GO!”**

The Lord desires the posture of His children to be one of “*persistence of vision.*” The prophetic theme and mantra for this season and hour is; “***legacy and increase.***” Your timing for God’s manifestation is set to your view and not necessarily God’s vision or His planned purpose.

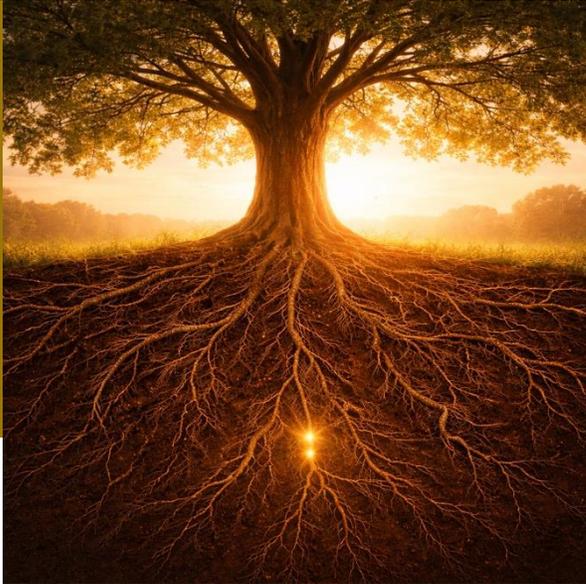

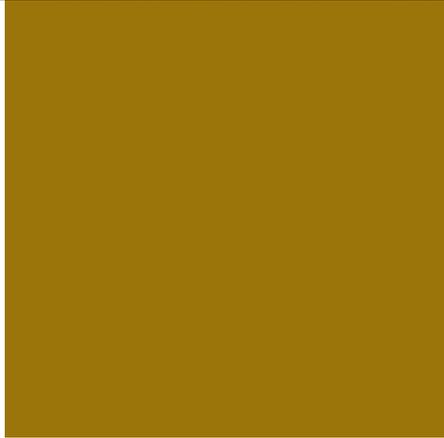

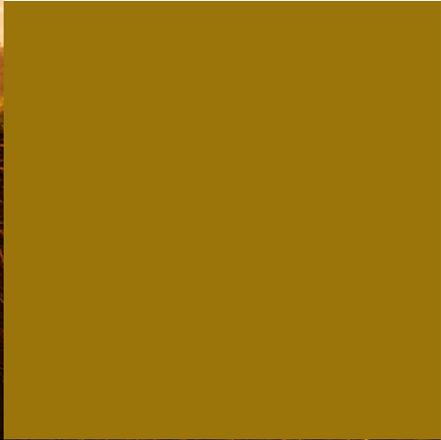

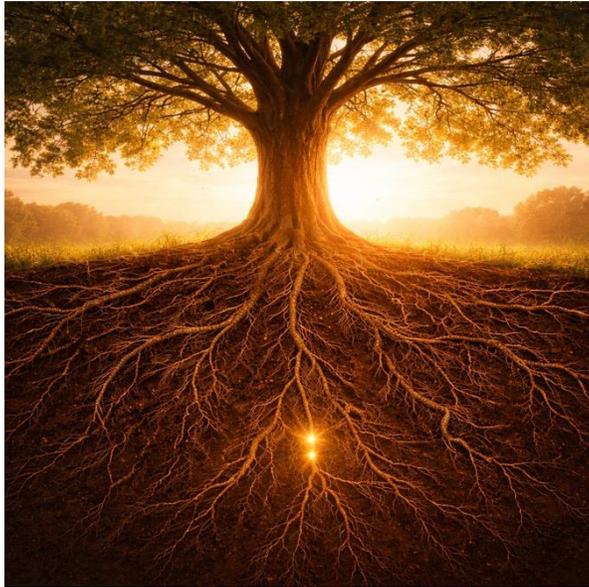

Legacy - the lasting impact of your life transmitted through values, decisions, relationships, and influence across generations. Legacy is both intentional and unintentional transmission. Legacy is often connected to generations, inheritance, blessing, name and covenant. Legacy is not just what you leave to people, it is what you leave in people.

Holy Spirit is saying, “This is a new era, with new blueprints.” We cannot build the future with yesterday’s measurements.

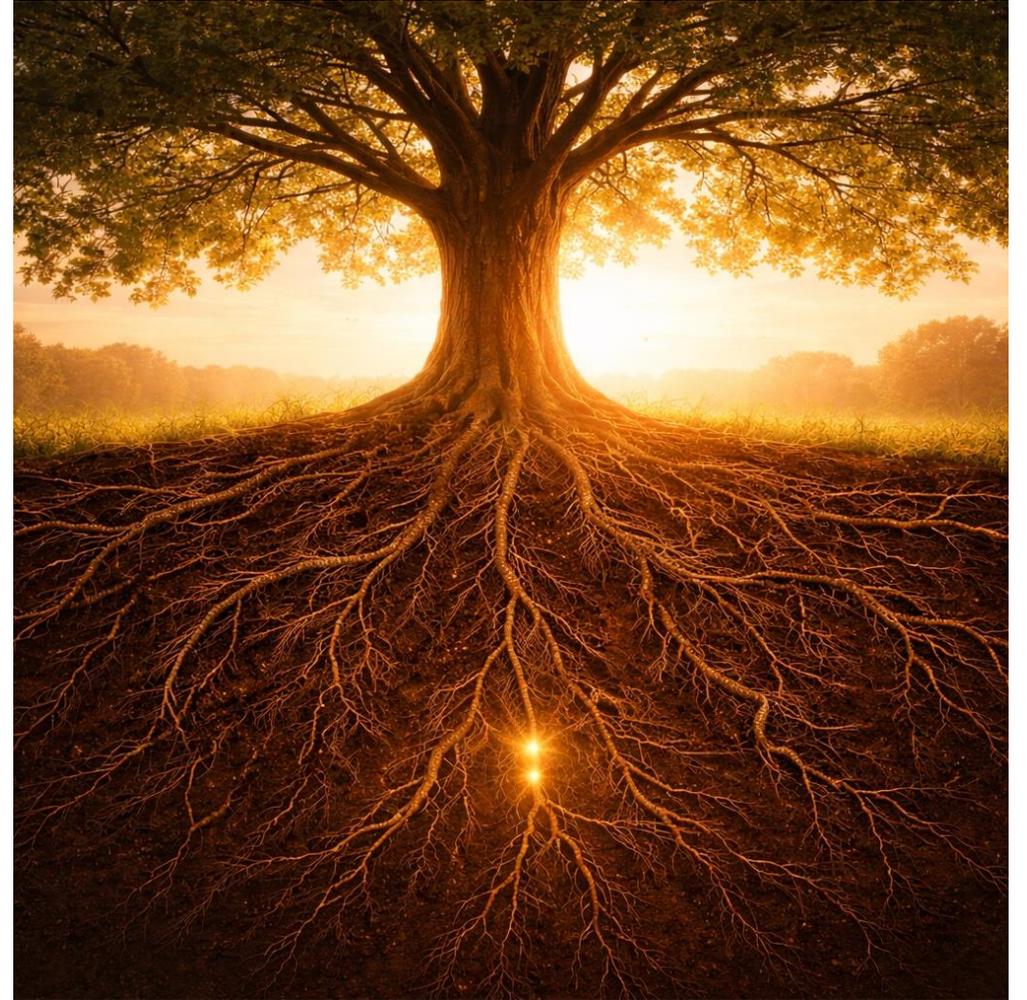

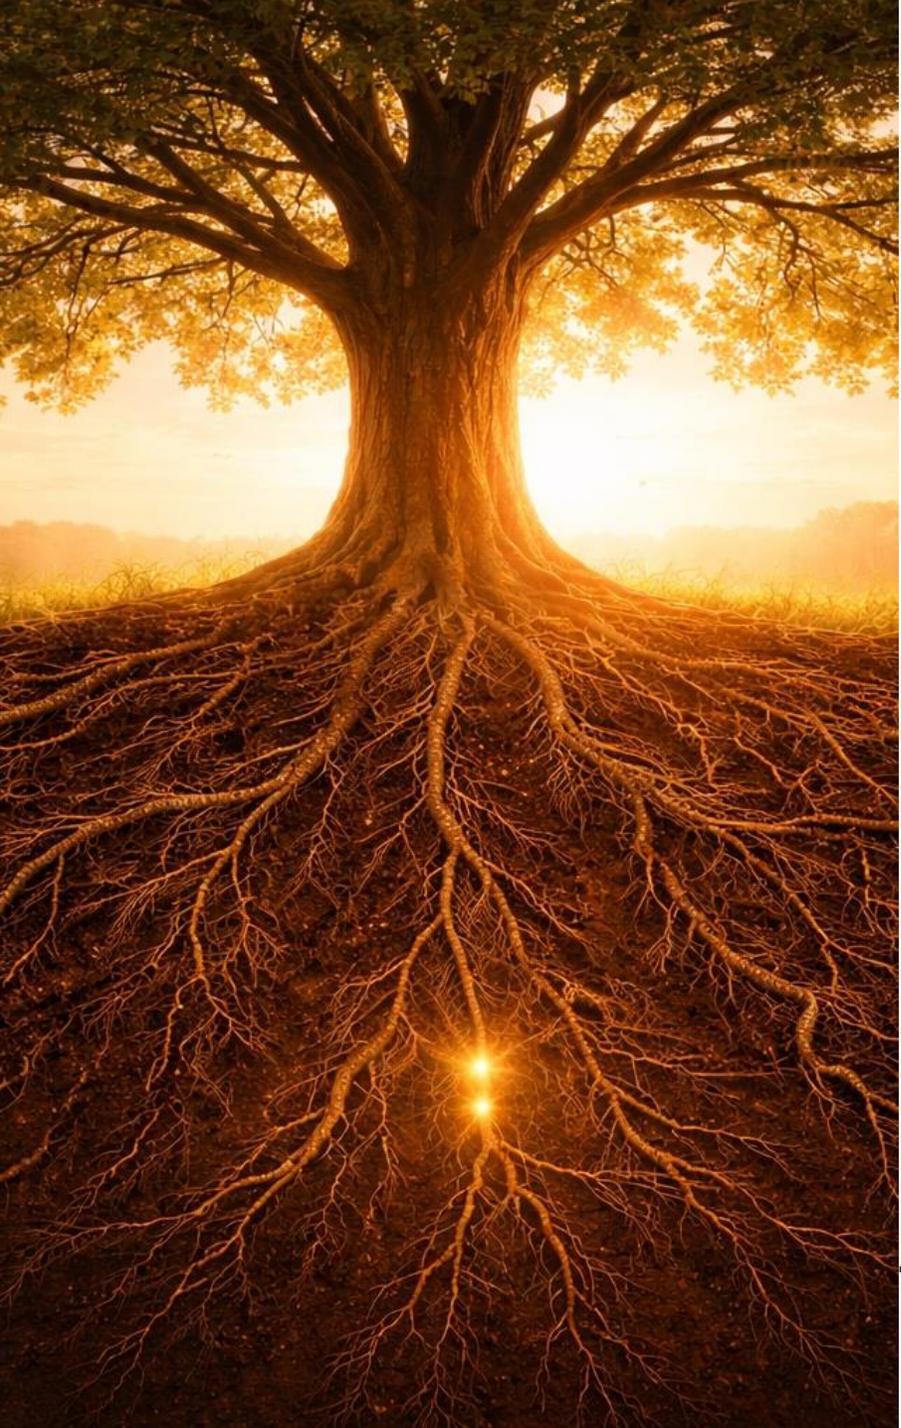

An era shifts time while a blueprint shifts structure. New blueprints mean:

- *Revised structures*
- *Refined leadership systems*
- *Reordered priorities*
- *Recalibrated relationships*
- *Renewed spiritual strategies*

You don't pour fresh oil into cracked infrastructure. We are at a ***turnaround*** where God turns endings into new beginnings. Holy Spirit is saying, "I want to show you what I'm building beneath the surface." What we once called finished, God calls "***My foundation.***" Time will reveal the new layout, God's Kingdom blueprints.

Holy Spirit is speaking “More,” not hype, not excess, not performance, but expansion!

II Kings 4:6

“...when there was not a vessel more, the oil stayed.”

The flow stops at the level of available capacity. If the Spirit is saying “More,” He is also asking, “Where are the vessels?”

The Lord is not calling us to do more.
He is calling us to become more.

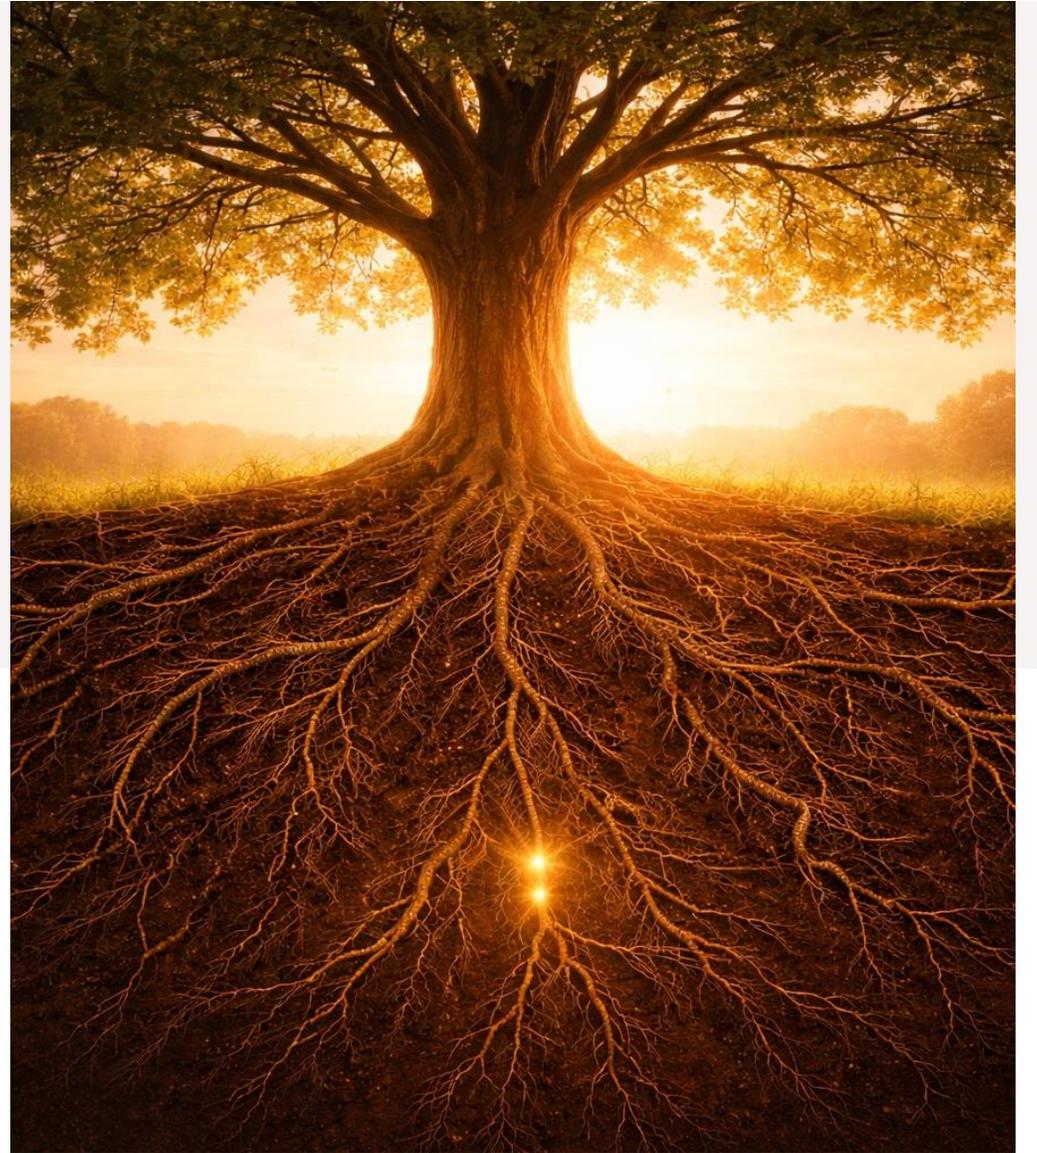

More disciplined; More aligned; More
healed; More structured and More
ready. God is speaking into places that
feel **stuck**.

When the Spirit says “More,” it often means:

- There is more in you.
- There is more required of you.
- There is more available to you.
- There is more accountability coming with you.

More oil, more fire, more fruit,
but fruit requires pruning.
God is expanding our horizons.
He's touching our eyes to see
further, before any visible
possibility exists.

Five Prophetic Truths About Legacy and Increase:

- 1. God is the Source of Our Increase.** (Whatever God blesses, He multiplies.)
- 2. You Are a Vessel of Legacy.** (When God starts a great work, He begins with “little” people. A great legacy starts from small steps of simple obedience.)
- 3. Heaven’s Multiplication Looks Different.** (Jesus blessed the bread and the fish, and it fed thousands. God’s Kingdom often begins in hidden places, small and humble.)
- 4. God Has Chosen You for This.** God chooses the foolish things of the world to shame the wise. (I Corin. 1:27-29). “THIS IS YOUR TIME”
- 5. Your Legacy is Already Underway.** (Even when he means of fulfilling the vision seem lost, God is still working. God is a God of resurrection and comeback. He is asking for your limitations.)

You might not see the fullness yet, but Heaven has already drawn the plans. The Lord is saying, “Look again,” my work within you is greater than you know and through you, I’m building a legacy that will last.
