**21 Days of PRAYER**  
**February 19 - March 11, 2023**

**2023 Focus: Living by the Word of God,**  
***Matthew 4:4***

People pray for many things throughout the day, such as family, friends, future, and finances. God has taken care of these concerns through His agenda – *Matthew 6:33*. What would it be like if hundreds of people prayed for God’s agenda each day for their church? What type of results would we see? What would it do for the body of Christ?

We have an opportunity to find out! You can join hundreds of people praying for our church each day for 21 days. We will all focus on one thing, anticipating God-sized results. Encourage others in the body to join you in prayer and obedience.

We learn valuable lessons about prayer from the early church (*Acts 4:23-31*).

1. Pray with the body of Christ (*v. 23-24*).
2. Pray the Word (*v. 25-26*).
3. Pray for the success of the church's agenda (*v. 27-29*).
4. Pray, expecting God to empower the one who is praying (*v. 29-30*).
5. Pray, expecting God to empower the body (*v. 29-30*).
6. God hears and answers prayer through empowering believers (*v. 31*).

Therefore, each day we will

1. Pray on one accord as a church body.
2. Pray the Word.
3. Pray for the success of Mt. Zion's agenda.
4. Pray, expecting God to empower you to do something (the one who is praying).
5. Pray, expecting God to empower the entire body to get results.
6. Pray, knowing that hears and answers when we pray the Word.
