Word:

(Discuss these questions in your group, encourage everyone to take part)

Before reading the scripture:

- How can Christians faithfully navigate difficult seasons in life?

Read: Job 1, Job 38, Job 39

- Satan accuses Job of only believing in God because of his blessings.
 - Have you ever based your relationship with God on your blessings from Him?
- How do we deal with situations when we cannot explain the bad things that happen to us?
- God removes Job's perspective from his own life and points it to God's own character. Why?
- Job was never meant to finish the story, because he was part of God's story. How may this encourage you during difficult times?

Read: Ephesians 3:1-13

- The mystery of Christ has been made known to us. How can we help others who are experiencing difficult times to remember the glorious mystery of having a relationship with Jesus?

Works:

(Take some time for personal reflecting on the following questions and then share back with the group)

- Job didn't have to prove himself to God, God proved himself to Job. How can you allow God to show His faithfulness to you this week?
- How can you lift your eyes from your own problems to focus on God's character?

Closing:

(Remember to ask for prayer requests.)

Pray that God would continue to make himself known during flourishing seasons and difficult seasons.
