Welcome:

(Choose a question for your group to discuss)

Worship:

(You may choose to use YouTube or other mediums to facilitate your time of worship)

- **Worship: Give Me Jesus (Studio Version) - UPPERROOM**

Word:

(Discuss these questions in your group, encourage everyone to take part)

Before reading the scripture:

- How can we be united with those who go to a different church?
- How can we be united with those whose theology we do not agree with?
- Have you ever experienced seasons of blessing where there was true unity?

Read: Psalm 133:1-3

- The Psalmist promised God's blessing where unity occurs. Why don't we see more of God's blessing in our homes, workplaces, schools and universities?
- Being together with others means sometimes having awkward conversations that lead to good outcomes. Can you think of examples in your own life?

Works:

(Take some time for personal reflecting on the following questions and then share back with the group)

- How are you being challenged to be one with those you do not agree with?
- Where can you expect God's blessing where there is currently unity?

Closing:

(Remember to ask for prayer requests.)

Pray that we may be truly united, not only in principle but in practice.
