Making Disciples~ Week 4~How To Share God's Story  
~ 9/10-11/2022

### Opening Review Question:

How did Care, Prayer, Share go last week? Discuss for 2 or 3 minutes with your training buddy.

### Ice Breaker:

What is the best news you have heard this week?

Can someone share a story of when they knew they needed to share the Gospel, but did not know what to say?

### Getting Started

Press play on the week four video, How to Share God's story. You can find the video link at [silverdalebc.com/makingdisciples](http://silverdalebc.com/makingdisciples), and it is on the Silverdale Baptist Church YouTube channel.

### End of the video.

Practice the three circles 3 times each with your training buddy. After hearing the three circles from your buddy share one thing that you really liked and one suggestion for improvement.

### Group Discussion

**How comfortable are you now in sharing the Gospel?**

### Closing Question

**Who on your prayer map is the Holy Spirit prompting you to share the three circles with, and when will you do it?**

**Now that you have these tools for evangelism (15 second testimony; care, prayer, share; and the three circles) does someone have a neighborhood where our small group could go to practice?**

**\*Leaders Note: We have evangelism leaders who have been trained and practicing these tools for months who are willing to go out with your group. If you would like assistance or need a place to go, you can email Ricky at [rallison@silverdalebc.com](mailto:rallison@silverdalebc.com) and he will help you get connected.**
