Message Title: The Parable of the Friend at Midnight, Part Two

Scripture: Luke 11:5-13

5 Then He said to them, "Suppose one of you has a friend, and goes to him at midnight and says to him, 'Friend, lend me three loaves; 6 for a friend of mine has come to me from a journey, and I have nothing to set before him'; 7 and from inside he answers and says, 'Do not bother me; the door has already been shut and my children and I are in bed; I cannot get up and give you anything.' 8 I tell you, even though he will not get up and give him anything because he is his friend, yet because of his persistence he will get up and give him as much as he needs. 9 "So I say to you, ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you. 10 For everyone who asks, receives; and he who seeks, finds; and to him who knocks, it will be opened. 11 Now suppose one of you fathers is asked by his son for a fish; he will not give him a snake instead of a fish, will he? 12 Or if he is asked for an egg, he will not give him a scorpion, will he? 13 If you then, being evil, know how to give good gifts to your children, how much more will your heavenly Father give the Holy Spirit to those who ask Him?"

Points of Consideration:

Why should we pray persistently?

1. **God is willing to answer. (v. 5-7)**
2. **God is able to answer. (v. 11-13)**

3 Exhortations based on what we are to pray and how we are to pray (v. 9-10):

1. **Petition**
2. **Pursue**
3. **Persist**

Discussion Questions:

If God ultimately works all things according to His will (Ephesians 1:11), what is the point of prayer?

In this passage, we are provided with promises that if we ask, we will receive; if we seek, we will find; and if we knock, the door will be opened. How are we to understand these promises in light of the full revelation of Scripture? Is this a blank check with the pen in our hand, or is there a deeper context to these promises that must be understood?

The command to knock paints the picture of knocking until the door is answered. Is persistent prayer twisting the armor of God to move Him to action? Or, is there a deeper spiritual truth to be understood in the discipline of prayer that Jesus outlines for us in this passage? Remember the purpose of the sleeping neighbor in the parable as you ponder these things.

Begin your time of discussion today by praying earnestly over the Sunday morning service!

Here is a prayer update from the planter of Church of Good Hope:

“Good afternoon, Prayer Partners:

First, let me say thank you for jumping into this process with us by partnering with our church plant in its greatest need: prayer.

God has already demonstrated His faithfulness in answering our prayers in so many ways. And, our church plant team recognizes that prayer is the key to what we hope will be a great start to our ministry in the Good Hope community.

As a brief “bring you up to speed” summary on our journey so far, here are a few basic details:

Vision - The Church of Good Hope will join God in His plan to transform lives with the Gospel.

Mission - We will do this by developing disciples who are equipped to share the Good News of Jesus and demonstrate the life He calls us to live in our homes, communities, and throughout the world.

We have a strong core team consisting primarily of young couples. We have been meeting in community groups twice a month for 7 months. Our team is being trained by Larry Black, the Church Plant Catalyst for the Stone Mountain Baptist Association. Craig Story has twelve years of full-time ministry experience at three churches in Gwinnett and Walton Counties. The last church he worked full-time at was as a co-pastor / co-planter of a church in Loganville that just celebrated 16 years of effective ministry. Craig currently works full-time as a Data Analyst in manufacturing and plans to be a bi-vocational pastor of the Church of Good Hope for three years (long enough to train up a pastor from within or identify a pastor from outside the church). Then, he plans to take 8-10 people into one of the nearby communities of Bostwick, Bishop, or North High Shoals and plant again.

Here are the top three prayer requests that our church is praying over for the month of July. Please share these with your leadership and congregation so we can all agree as we ask for God's guidance. I will update you on these three requests when I send our August requests, but feel free to contact me before then if you have questions.

1. A GATHERING PLACE FOR OUR WEEKLY SERVICES. We believe that God is already working to open the minds and hearts of the leadership of a church in Good Hope to allowing us to rent space from them on Sunday evenings. Their congregation has considerably declined in size over the last three years. Recently, God has begun to encourage them and challenge them to be involved in ministry in the community, but they don't use their building on Sunday evenings. The space would be ideal for a variety of reasons, and we are going to formally propose a rental agreement this month for our launch and weekly services. We're praying for a favorable response from their leadership.

2. A SECOND, FULLY-FUNCTIONAL COMMUNITY GROUP TEAM TO BEGIN REGULAR MEETINGS IN JULY. Our community groups have been excellent times of discipleship and accountability. We have had as few as 7 people in one home and as many as 17 people in two homes on any given night. By the end of the month, we hope to have a second community group meeting regularly with a fully-staffed team consisting of host, guide, and assistant-guide. Going into August, we'd like to have 20 people meeting regularly in community groups.

3. EIGHT GOSPEL CONVERSATIONS INITIATED BY OUR CORE TEAM DURING JULY. At the heart of our church is our desire to train people to be able to comfortably share their story and God's story with people they interact with on a regular basis. We're praying for a couple of meaningful gospel conversations each week that are initiated by the members of our core team.

Thank you again for committing yourselves to be Prayer Partners for the Church of Good Hope. We are excited to share how God answers these prayers in the weeks ahead.

Update on Turkana region in Kenya:

“This is the situation in Turkana region Kenya. Have your family and the church pray, remember Turkana church. People are facing a tough time because of drought which has existed for a long period. People are lacking food and clean water. Diseases like malaria, typhoid, and tuberculosis are affecting people. We lost eight people because they lack food to eat.” – from Pastor Eloilo

- The East African team has been praying fervently for their field leaders and their families; many of them are experiencing significant health issues and are in need of prayer for both healing and financial provision.

- Pray specifically for Pastor Simon Eloilo, a key leader in the Turkana mission work. Pastor Simon’s wife and daughters have been battling health problems for over 3 months now. His wife, Oriba Kemunto, is currently in need of a third eye surgery, but the family lacks funds and is praying for God to provide a way for them.

- For both the staff and field leaders, prayer has been requested for grace and motivation to continue in service.

- Pray for these pastors as they minister in often desolate, impoverished places with limited resources and cultural opposition.

- The cost of planting a church through TTI is \$400; consider how your tribe may impact believers across the globe by planting a church through TTI!
