Sermon Title: The Hour Unknown
Scripture: Mark 13:32-37

32 But of that day or hour no one knows, not even the angels in heaven, nor the Son, but the Father alone.

33 “Take heed, keep on the alert; for you do not know when the appointed time [s]will come. 34 It is like a man away on a journey, who upon leaving his house and [t]putting his slaves in charge, assigning to each one his task, also commanded the doorkeeper to stay on the alert. 35 Therefore, be on the alert—for you do not know when the [u]master of the house is coming, whether in the evening, at midnight, or when the rooster crows, or in the morning— 36 in case he should come suddenly and find you asleep. 37 What I say to you I say to all, ‘Be on the alert!’”

Points of Consideration:

Why must we be ready for the return of Jesus Christ?

1. No one knows the day nor the hour of His coming.
2. There is a task at hand.
3. We will be held accountable.

Discussion Questions:

Caleb opened his message by discussing how athletes expend their greatest amount of effort as the time is expiring because they know their time is running short. How much greater, then, should our urgency be as Christians to obey the Great Commission if we do NOT know the “time left on the clock”? We would all agree that athletes would be better served playing their entire game with the urgency with which they play in the final minutes, but what does our “game” look like so far?

Doorkeepers keeping a night watch in that day had better stay awake, for if they were found asleep, they would wake up to a physical beating or have their clothes set on fire as punishment. If these doorkeepers were held accountable, how much more will we be held accountable for our faithfulness to our duty?

Jesus’ final command in this chapter is to “Be on the alert!” What are some practical steps that we can take to make ourselves ready for the return of Christ?

Begin your time of discussion today by praying earnestly over the Sunday morning service!

Church of Good Hope - Partnerships (Update from Craig Story - ChurchOfGoodHopeGA@gmail.com)

PRAYER PARTNERS (one-year commitment)

- Col 1:9 - For this reason also, since the day we heard this, we haven't stopped praying for you...
- Prayer is our most important partnership. If we could have a hundred churches partner with us in prayer, we would still seek even more.
- Each month, you will receive the Top 3 Prayer Requests from the Church of Good Hope. They will be as specific as we can make them.
- We would simply ask that your staff and leadership pray for those requests AND pass those requests along to your congregation.

CONNECTION PARTNERS (one-year commitment)

- Luke 10:6 - "If a person of peace is there, your peace will rest on him"... Acts 16:15 - After she and her household were baptized, she urged us, "If you consider me a believer in the Lord, come and stay at my house."

- Good Hope is a small community and the Gospel will spread faster through existing connections.
- Twice a month, community groups will meet at houses in the Good Hope area.
- We would ask that you identify families from your church that live in Good Hope to open their home as community group hosts for their neighbors and people connected to the Church of Good Hope.

LAUNCH PARTNERS (6-month commitment)

- 1 Thes 2:8 - We cared so much for you that we were pleased to share with you not only the gospel of God but also our own lives, because you had become so dear to us.
- There are many details that go into launching a church from scratch (like providing safe child care by trained workers with background checks).
- We will have preview services at 6:00pm on July 30, Aug 13, Aug 27, and Sep 10. Our Public Launch Service is on Sep 17, and then we'll meet weekly.
- We would ask that you provide childcare (and possibly other logistical needs) for our Sunday evening services until we can establish our own ministry teams by the end of January.

FINANCIAL PARTNERS (6-mo. commitment + 6-mo.)

- 1 Cor 16:2 - On the first day of the week, each of you is to set something aside and save in keeping with how he is prospering...
- The Church of Good Hope will join God in his plan to transform lives with the Gospel. We will do this by developing disciples who are equipped to share the Good News of Jesus and demonstrate the life He calls us to live in our homes, communities, and throughout the world.
- As we develop disciples, we will teach stewardship.
- However, until they are developed, you can partner with us at \$500/month starting in July 2023.

FCA

2023 YEAR-END REPORT

LAKE OCONEE AREA

Dear Friends,

As we approach the end of 2023, it's a great time to celebrate what God has done and to anticipate what He will do in 2024. Psalms 145:6-7 says "Men shall speak of the might of Your awesome acts, And I will declare Your greatness. They shall utter the memory of Your great goodness, And shall sing of Your righteousness."

This past year, we have seen God do "awesome acts" in our Lake Oconee Area. From 83 on-campus huddles, to 20 Greene County football players accepting Christ at FCA

Football Camp at Reinhardt University, to 40 plus middle schoolers in Jasper County asking Jesus into their hearts at a huddle - we have been able to witness God's greatness!! The awesome thing is that we get to share and celebrate these God-sized moments with each of you. We need your help to continue to take the gospel to coaches and athletes in Greene, Morgan, Putnam, Jasper, and Taliaferro Counties. By giving to our year-end campaign, your money will go to FCA Camp Scholarships and our Ministry Resource Fund. In other words, with your financial gift, you help us purchase coaches bibles for a small group of coaches in Greene County. You make it possible to send whole football teams and coaching staffs to camps where they learn their sport but more importantly learn about Jesus. You empower student athletes to go to a regional FCA Leadership Camp in St. Simons Island and come back so on fire for the Lord that they start and lead their own teams in bible study. You help us purchase "Kingdom Men Rising" bible study books so local basketball players can learn what biblical manhood looks like. You invest in coaches' marriages by sending them to FCA marriage retreats so that they are able to win at home! Whether it's a chicken biscuit or a slice of pizza, one of the 1000 bibles we will hand out, or The FOUR bracelet at Fields of Faith, your generosity breaks down walls and opens doors for the gospel to be clearly proclaimed. I know you have a myriad of great opportunities but your gift will resonant for all of eternity when you give to FCA!

Your Teammate in Christ,

Jason McBay

"It was a great opportunity and blessing to attend FCA Team Camp this year. Our team was challenged to grow in football knowledge and skills through competition. We were challenged to grow in our faith and as a team family through devotional challenges and nightly team sessions. FCA Team camp helped us grow as young men and a football family. Go Tigers!"

CHRIS WILLIAMS | GREENE COUNTY HIGH SCHOOL FOOTBALL ASSISTANT COACH

"He must increase, but I must decrease." JOHN 3:30

"Being able to spend time with other believers my age at camp and through Bible studies has really helped me with my faith. It's so great to be able to relate to other athletes who can hold me accountable to be a better leader at school and on my teams."

RYLEIGH HILSMAN | MORGAN COUNTY HIGH SCHOOL

"FCA Marriage Retreat was such a great experience. It was awesome to get to fellowship with other christian couples. We learned so much from the speakers, as well as the other couples we had a chance to get to speak and spend time with. Thank you for the opportunity to go!"

KADEN MILLER | JASPER COUNTY WRESTLING COACH

Update on Turkana region in Kenya:

“This is the situation in Turkana region Kenya. Have your family and the church pray, remember Turkana church. People are facing a tough time because of drought which has existed for a long period. People are lacking food and clean water. Diseases like malaria, typhoid, and tuberculosis are affecting people. We lost eight people because they lack food to eat.” – from Pastor Eloilo

- The East African team has been praying fervently for their field leaders and their families; many of them are experiencing significant health issues and are in need of prayer for both healing and financial provision.
- Pray specifically for Pastor Simon Eloilo, a key leader in the Turkana mission work. Pastor Simon’s wife and daughters have been battling health problems for over 3 months now. His wife, Oriba Kemunto, is currently in need of a third eye surgery, but the family lacks funds and is praying for God to provide a way for them.
- For both the staff and field leaders, prayer has been requested for grace and motivation to continue in service.
- Pray for these pastors as they minister in often desolate, impoverished places with limited resources and cultural opposition.
- The cost of planting a church through TTI is \$400; consider how your tribe may impact believers across the globe by planting a church through TTI!
