Daily Tool

Earn one marble for completing the challenge and another one for memorizing the week's verse!

Challenge: Use something God has given you to share His love this week. Maybe God has given you a skill, talent, resource, toy, or words that you can use to share His love with someone. Next Sunday, tell us how you used what God has given you to share His love!

Memory Verse: He answered, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and Love your neighbor as yourself."

-Luke 10:27
