INTRO: [Em | D | C | G] x 2

VERSE 1

```
        Em          D        C       G
There's an old  wooden cross on top of a hill
        Em          D        C         G
There's a grave that's been empty for thousands of years
        Em          D          C        G
There is grace and for - giveness at the table He set
    Em             D            C           G
The Father's love poured    out for us and we won't for - get
```

CHORUS

```
        Em          D(4)
Flesh and bone blood and    timber
        C        G
Bread and wine we remember
        Em          D(4)
Hearts of stone slaved in     prison
        C        G
Found their freedom in surrender
        Em           D(4)
The veil was torn the gates swing open
        C        G
The battle's won the war is over
        Em          D(4)
Flesh and bone blood and    timber
        C        G
Bread and wine we remember
```

VERSE 2

```
Em                    D              C       G
    You never asked for anything You just wanted our hearts
Em                    D               C         G
    You say the price You paid for us was worth every scar
        Em         D          C          G
Still You meet us with mercy in our shame and our sin
    Em         D              C         G
The Father's love poured out for us a - gain and a - gain
```

+ CHORUS
