

## **COVERED IN DUST** **2025 Lake Traverse Mission Trip**

### **Message Scripture: John 13:14-15, First Nations Version**

Have you ever followed another vehicle down a gravel road? It kicks up a cloud and covers your car in a layer of dust. In a similar way, the influence of what or who we follow can fall around us. Whether it's how we act, speak, dress, or think. The impact others layer into our lives is real! So it really matters what or who we choose to follow...and how closely.

### **Prayer**

Dear God, help us to step outside of our comfort zone and serve others. Help us to build community with friends and neighbors. Help us to think deeply about who we follow and what we are becoming.
