

Today we continue our series taking a look at the end times. We titled this series UNPREPARED. We put an X-through the UN, because the goal of this series is not strike fear or worry, but only to educate, make people aware of whats going on in our world that we and have been living in the Last Days.

So today I want to give you an **outline of the book of REVELATION**. One of the most complicated books in the Bible. My prayer today is that this helps to make it less complicated, because I want you to be prepared for the return of the Lord.
