ENGAGE PRAYER:

L. & M.P. , Grace-sent serving in The Middle East. *Details are vague to protect the safety of our workers in this restricted region.*

Pray that they would receive permission this month to open a maternity clinic where they serve. Although everyone wants and needs this clinic, there are a few people in the government who are opposed to the plan.

Twenty years ago L. and M. were commissioned and sent by GBC to work at a university in another nearby country. Although their work is now focused elsewhere, they are still in contact with the university and will partner with them to launch a ministry for students of the current country they serve. Pray for new staff onboarding and new students.

Please also keep our Engage short-term missions teams in your prayers this week. The GBC Germany team departed Thursday and the Nigeria team departs today.
