What are your top five priorities in life right now?

**Read Exodus 34:14.** As you read about God being jealous, what thoughts or feelings come up? How is His jealousy different than human jealousy?

How did you prioritize God when you first started following Jesus, and how has that changed over time?

Is there an area of your life that's taking priority over God?  
How could you make God more of a priority, and how might your life look different as a result?

Start praying.

*Father, thank You for being jealous for me. It can be tempting to put things of this world above You, and I don't want to do that. Please show me where I need to remove idols and replace them with more of You. Soften my heart to hear Your voice as You lead me this week. In Jesus' name, amen.*
