

Week 4 - The Power of Your Story

What are your favorite Bible stories and why?

It seems that most Bible characters were known for their faith. Have you ever been asked about your faith? What response do you usually give when people inquire about your relationship with God?

Below are four main criticisms of faith stories. Which one are you most in danger of using?

- Long-windedness
- Fuzziness
- Religionese
- Superiority

Tell your faith story to 3 different Christian friends. Then have them grade you on the following criteria:

- Brevity (You told your story in the space of 45-60 seconds)
- Clarity (You stuck to one key plot line)
- Simplicity (You avoided “religionese”)
- Humility (You told your story without a pious or haughty attitude)
