

Message Notes - Week 3 - My God Forgives Me

1. How does God forgive? When we confess our sin, when we agree with Him, the first thing God does is God removes our sin completely.
2. God's grace plus anything you bring is not God's grace at all. God's grace is fully sufficient, it is an "I'm going to pay the debt in full or I'm not going to pay it at all!"
3. God wants you to believe with faith like a child that He loves you, and He wants you to enjoy it, and He wants you to receive it, and He wants you to live out of the overflow of His pleasure in your life.
