

## Week 4 - “Destination Wedding”

Weddings cause mixed reactions among people today. Think back to your experiences with weddings (both as a guest and a participant). What are some of the biggest emotions or experiences that you associate with those events?

**Read Jude 1:17-23.** How do you stay motivated to continue building yourself up “in your most holy faith” as you look toward this great wedding day with Christ? What can you do to snatch those who need Jesus “from the fire” so they can experience this day as well?

Judgment is common in our world today. Parents exercise judgment in their households. So do bosses, teachers, coaches, and--of course--judges. Why do you think judgment is such a necessary part of our society? Why is judgment a necessary part of God’s plan for history?
