

Rapidly Winning Communities for Christ through Indigenous Disciple Makers

Dear Partners in Ministry,

“Awesome!!” Was the reaction when it became clear that US based missionaries can plan to go to Africa again after the lock-downs stopped such travel for 2 years. Also Lida, leader presenting the Life Conferences responded well to the cancer treatments and has decided to go to Zambia to present 4 Conferences in July. The training team in Zambia are ecstatic about this and are hard at work setting up the 4 Conferences in eastern Zambia. Lida and Beverly have worked at team teaching for a number of years—an effective, experienced team.

Steve and Johan will also travel to Zambia in July to conduct Advanced training sessions for Regional and District leaders in western Zambia. An exciting development there is that the Lord opened an opportunity for Hope Builders to acquire a (sorely needed) training venue—Praise HIS name. (see more about Mongu over leaf).

Gerald undertook a very fruitful training trip to the MAKUA in northern Mozambique. The fruit on his labor is particularly sweet when we experience “a first”. The YAO tribe (highly Moslem) has been difficult to reach over many years. Now a door has opened and Hope Builders has gained access to their area with training starting there.

Praises to the Lord, are resounding as Disciple Makers receive Bibles for their students from the 20,000 English and 5,000 indigenous bible purchases made in the beginning of the year. Enthusiasm is channelled into local Evangelism Outreaches as Disciple Maker students complete their practical assignments. Great progress is being made to reach the most unreached areas in the 5 African countries we serve in.

Thanks to our partners who make these reports possible. Hope Builders projects rely on your support as God moves your heart to supply the trainers and training materials.

Hope Builders urgently needs your help in serving the most rural believers.

Please participate in doing so by filling out your response over the page.

Hope Builders was able to acquire property for a Training Center in Mongu, western Zambia. The sanctuary will also serve as lecture hall and accommodation for the speakers at the conferences. Walls of a 3 bedroomed house have been built up to roof level. Completing the house and providing a steady water supply will cost about \$17,000. The very arid conditions of western Zambia mitigate against extensive farming & thus is not as densely populated as other parts, resulting in fewer opportunities for locals. The needs are higher & thus HBM's need for undertake significant training requires such a facility.

This summer, the four Disciple-Maker teams working in India, Bangladesh and Pakistan have set an ambitious plan: to minister in 3,000 churches focusing on Jesus' command to MAKE DISCIPLES! Bibles and DMP materials are being distributed in Hindi, Bengali, Telugu, Urdu and English resulting in Churches growing in their FAITH and numerically, despite the restrictions caused by the non-conversion law passed recently– it prohibits openly sharing the Gospel. Jesus promised “I will build my Church and the gates of Hades will not prevail against it.” Please pray for the persecuted church in Asia. Bicycles needed.

PLEASE HELP: Introduce family, friends and whomever to Hope Builders Ministries, by:

- ◆ Using our website, HBMin.org, to share so much more of what is happening in all the countries HBM works in.
- ◆ Downloading the phone app “Hope Builders Disciple Makers” from your app store, and promoting it to them.
- ◆ Following, Liking and Sharing HBM on Facebook.com/HopeBuildersMinistries

It certainly is a privilege for the HBM team to serve with you as partners in God’s work around the globe. Continue PRAYING for us as you enable the great work to prosper through your giving. It is much needed, thank you.

Johan, Lida and the entire HBM team appreciate your partnership.
