Praise the Lord
Greetings In The name of our Lord
Jesus Christ from Stephen Prasad,
HBM coordinator in Andhra Pradesh.

Recently I invited 12 pastors to come
to the HBM Training HQ to continue
training and emphasizing the Disciple
Makers Program in their churches.
They have adopted the 1 on 3
method to great success in their local
churches. Myself and my team

continue to encourage them with studies from the HBM Training Notes, Old and New Testament Survey, as well as the 12 Steps to Christian Maturity and Christian Faith Principles Defined.

The pastors are very thankful for the continued training. They have been more successful in their ministries as a result of the HBM Training they receive. They report many young people are responding to the “one on three” discipleship program. The older members are as well. This is encouraging them to be more bold in their witness since they understand the Faith better as they continue to be disciplined.

Every month I am able to host 6 different groups of pastors at the HBM training center. Along with my assistant we teach and encourage. The attending pastors are repeating the process in their own churches and have started new churches in many villages. Their churches are growing spiritually and numerically to the Glory of God.

Thank you Hope Builders Ministries and the partners for the resources that enable me to provide this training to many many pastors. We are serving over 2000 pastors with HBM Disciple Makers training. The impact is more than we can say. We give God all the glory.

Yours In Christ

Pastor and HBM Missionary, Stephen Prasad
