1 Peter 2024 #14

"A Christian Response to Trials of Fire"

Text: 1 Peter 4:12-19

Big Idea: *The people of God see, in suffering, an opportunity to grow and a chance to glorify God.*

There are two things I want us to note in our text.

I. The people of God find, in troublesome times, the opportunity to rejoice. (4:12-13)

II. The people of God find, in troublesome times, an opportunity to grow. (4:14-19)

Conclusion:

When suffering comes you must entrust yourself to God (4:19).

Peter, as a loving pastor, gives us very practical advise for responding to times of severe trial –

See it as an opportunity to grow/mature in your faith

See it as an occasion to glorify God.
