1 Peter #7

“Our Exclusive Gospel”

Text: 1 Peter 2:21-25

Big Idea: *As the people of God we are called to a life of radical holiness.*

There are three reasons for why we should love him exclusively. Why should you love and adore Christ alone?

- I. Because He alone lovingly stood in our place. (2:24a)*
- II. Because He alone graciously secured your deliverance. (2:24b)*
- III. Because He alone compassionately cares for your soul. (2:25)*

Conclusion:

He alone is worthy of your love and adoration because he alone lovingly stood in your place, He alone graciously secured your deliverance and He alone compassionately cares for your soul.

Is it arrogant to say that Christ is the only way?

Let's consider the whole picture.

- *Creation*
- *Rebellion*
- *God did not owe us anything but death*
- *God chose to love*
- *Suffered and died himself in our place*
- *All that is asked in return is that we come his way*

It is the height of arrogance to demand another solution!
