

Esther #5  
“His Timing is Perfect”  
Esther 5:1-6:14  
June 4, 2023

2 Observations and a Conclusion

*I. Our God is present and working, behind the scenes, in every twist and turn of the common, the ordinary and the everyday. (5:1-14)*

*II. The timing and justice of our God are exquisite. (6:1-14)*

*Main Idea: Our fate, as the people of God, is not left to the whims of self-absorbed political leaders, or the twisted desires of the powerful, or even the obedience of the faithful; our hope is anchored in our God who is ever-present and always working.*
