1 Peter #10

"Living Well in an Unfair World"

Text: 1 Peter 3:10-17

Big Idea: *As the people of God, we are called to live well in the midst of an unfair world.*

I. *Living well in an unfair world demands a determined pursuit of holiness. (3:10-11)*

II. *Living well in an unfair world demands a persistent awareness of our dependence upon God. (3:12)*

III. *Living well in an unfair world demands we interpret all of life through the lens of divine sovereignty. (3:14-17)*

Conclusion:

News flash = life is not fair.

Life is no fable.

It is often hard, harsh and unforgiving.

How are we to live?

As our God commands. As an alien people out of step with an unbelieving world. As a royal priesthood and holy nation.
