What Breaks Your Heart?

Reality vs Ideal

“We will tell the next generation”

November 27 & 28, 2021

The Small Group Sermon Study | Psalm 78

Opening Prayer: Father, we thank you for all you have done for us. We pray in Jesus' name that you would teach us more about You through Your Word. We pray that Your Holy Spirit would speak to us about what we read and discuss today.

1. Big picture: what did you like or appreciate about this message?
2. What was something you learned from this message?
3. Read the key passage(s) of Scripture from the message and review the sermon notes, then answer the following questions:
 - a. Pastor Wade brought up six different issues in his sermon (family aware, disappointed, relationally disconnected, grieving delayed, mentally drained and spiritually dry). How have you seen one or more of these issues impact your life?
 - b. How have you seen one or more of these issues impact our small group?
 - c. How can we begin to partner with the next generation as they begin to work through some of these issues in their lives?
 - d. Read verse four of our passage. What did this look like in your life as a young person? What does it look like in your life now, as an adult? What can we do about this as a group?

Silently re-read the key Scripture(s) from the message, asking the Holy Spirit to speak to you.

4. What breaks your heart? What is the first thing that comes to mind when you hear that question?
5. What emotions does this passage or key theme stir up in your heart? How will you manage those emotions as you carry on through your week?
6. What do you need to surrender to Jesus? How will you respond to what Jesus is showing you?
7. What word, phrase, verse or challenge do you need to take with you this week? How will you act on what you've heard?

Prayer: Spend some time praying for the next generation (that they would be filled with the joy of the Lord as they continue to grow and lean on the Lord more through their struggles, that the church would take on this charge to pass on spiritual heritage and that we would be alert and obedient to what God has to say, etc.).
