**Prayer:** *God, again we thank you for today. We thank you for this space that we can come to and grow closer to you as we grow closer as a community. We want to thank you for the way that you led Joseph as Jesus was on the way. May we not forget his part in Your great plan for redemption. And we pray that as we go on from here, that we embrace the calling You have for us, the tough decisions and turn away from our selfish desires, in order that Your will be done. We thank you for everything You have done throughout the history of the world, what You are doing right now and what you will do in the years to come. Amen.*
