

Kids 9– 13 years old

Dear parents & Children,

Welcome to Kidz Life online!

Family, it is so great to know and hear that God is still doing something in our tiny little spaces.

Today's story was all about Jonah, Nineveh and the big, big fish!

We see that Jonah chose to run away from God's word and command and even as he did, God still provided the big fish to keep him safe from the torrent of the sea. We now know that God pursues us even when we are running away from Him. And when Jonah was stuck in the belly of little fish, he had time to reflect and pray to God.

We also learnt that God loved the people of Nineveh so much that he wanted to rescue them from their own sins and rebellion through Jonah. God doesn't love us for what we do for Him; He loves us because He is our father no matter what we do.

Here is our prayer for this morning:

Dear God,

Thank you for yet another day we get to know you a little more.

Thank you for our health and our family health.

Would you help me, help us become more obedient to you and run towards you? Teach us how to become doers of your word.

In your name we pray Amen!
