

Service Week

WEEK

Service Week

This week is service week

- Instead of your normal group time, we want you to commit to serving together as a group in some form or fashion this week.

Ideas for this week of service

- The possibilities are endless as to what that could look like and who you can serve. Maybe you want to package medical kits at a local health ministry or clean a widow's house and clear their yard. Maybe you want to drop off goodies for local first responders or serve at a local Habitat for Humanity project. Use your imagination and utilize the passions and giftings of your group and share in this opportunity together. If you are having difficulty thinking of a project or event to participate in, feel free to reach out to Discipleship Team in the church office to talk through ideas.

Prayer:

Pray together as a group, asking God to bless your service project and to work in and through your group for His glory.

Colossians 3:23-24

Whatever you do, work heartily, as for the Lord and not for men, knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ.

Memorize

“Whoever serves me must follow me; and where I am, my servant also will be. My Father will honor the one who serves me. “

– John 12:26
