# DAY 3

---

For I consider that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us.

*Romans 8:18*

- o Pray for the persecuted church. Pray for our brothers and sisters who are suffering for their faith. Pray that they would be steadfast in their faith and full of hope.
- o Pray for the western church to live with an eternal perspective. Pray for the Church to be focused on Christ and eternity and to proclaim the Word and make disciples in light of that.
